SUBJECT INDEX

A

- ABNORMALITIES**
Congenital malformations. Kalter, H.; et al. 557
- ABO BLOOD-GROUP SYSTEM**
Blood group antigens in lichen planus lesions. Thomopoulou-Doukoudakis, A.; et al. 237
- ABSENTEEISM**
TMI dysfunction and sick leaves. Alanen, P.; et al. 586
- ABUTMENTS, DENTAL**
Dental and periodontal status of overdenture abutments. Renner, R.P.; et al. 132
Movement of abutments in spring cantilever bridges. Gray, H.S.; et al. 474
Overdenture abutment tooth contour. Graser, G.N.; et al. 243
Rationale in tooth retention for overdentures. Bell, D.P. 190
- ACANTHOSIS**
Papillary and verrucous lesions. Eversole, L.R.; et al. 406
- ACCESS TO DENTAL CARE**
State survey of barriers to dental care. Bakdash, M.B.; et al. 205
- ACCIDENTS, TRAFFIC**
Facial injuries in automobile crashes. Huelke, D.F.; et al. 401
Injuries after motorcycle accidents. Cannell, H.; et al. 179
- ACCREDITATION**
Taking the initiative in accreditation. O'Neill, T.M.; et al. 312
- ACETAMINOPHEN**
Acetaminophen in reducing pain after periodontal surgery. Seymour, R.A. 604
- ACETIC ACID**
Assessments of experimental cavity cleaners. Mjor, I.A.; et al. 214
Production of acids in plaque with or without *S. mutans*. van der Hoeven, J.S.; et al. 320
- ACETONE**
Organic solvents in saliva. Tomita, M.; et al. 427
- ACETYLCHOLINE**
Amylase activity in various tissues in rats. Ikono, T.; et al. 323
- ACHROMYCIN**
Effect of Achromycin ointment on healing after surgery. Breloff, J.P.; et al. 629
- ACID ETCHING, DENTAL**
Analysis of fractured restorative resin/etched enamel bonds. Zidan, O.; et al. 44
Effects of acid-etch procedures on amalgam restorations. Leach, C.D.; et al. 343
Effects of etching of young permanent teeth with acid gel. Brannstrom, M.; et al. 183
Etched metal technique. Livaditis, G.J. 568
Evaluation of phosphoric acid concentrations. Gottlieb, E.W.; et al. 8
Periodontally diseased roots after citric acid demineralization. Albair, W.B.; et al. 76
State of the art of resin-bonded bridges. Gratton, D.R.; et al. 528
Techniques for esthetic dental veneering materials. Smith, D.C. et al. 119
- Methods**
Etching technique for etched-metal bridges. McLaughlin, G. 63
- ACID PHOSPHATASE**
Repair of periodontal tissues. Lindskog, S.; et al. 429
- ACIDS**
Analysis
Acidogenic microbial composition of plaque. Hayes, M.L.; et al. 549
Carboxylic acids, plaque pH in patients with denture stomatitis. Sanaranayake, L.P.; et al. 466
Clinical effects of topical fluorides. Yankell, S.L.; et al. 161
Effects of copper and zinc retention in dental plaque. Afseth, J. 594
Plaque mineral analysis from various fluoride level areas. Grobler, S.R.; et al. 148
- Metabolism**
Acidogenic potential of foods at interproximal sites. Jensen, M.E.; et al. 636
Effects of NaF rinse on plaque acidogenicity and fluoride content. Geddes, D.A.; et al. 260
- ACIDULATED PHOSPHATE FLUORIDE**
Clinical effects of topical fluorides. Yankell, S.L.; et al. 161
Enamel fluoride acquisition for topical fluoride agents. Retief, D.H.; et al. 371
- ACQUIRED IMMUNODEFICIENCY SYNDROME**
Acquired-cell immune deficiency syndrome. Heideleman, J.F.; et al. 405
- ACRYLIC RESINS**
In-office procedure for acrylic provisional restorations. Davidoff, S.R. 175
Use of collagen for anchoring acrylic resin teeth in dogs. Yaffe, A.; et al. 262
- ACTINOBACILLUS**
Bacteriodes and *actinobacillus* collagenase. Roberto, P.B.; et al. 157
Migration of leukocytes in pulp in response to bacteria. Bergenholz, G.; et al. 207
Suppression of *A. actinomycetemcomitans* with tetracycline. Slots, J.; et al. 381
- ACTINOMYCES**
Actinomyces israelii in osteoradionecrosis. Happonen, R.-P.; et al. 464
Migration of leukocytes in pulp in response to bacteria. Bergenholz, G.; et al. 207
- ACUPUNCTURE**
Acupuncture treatment of facial pain. 504
- ACYCLOVIR**
Treatment of herpes labialis with topical acyclovir. Fiddian, A.P.; et al. 472
- ADAPTIC**
Chip fractures of conventional and microfilled composite resins. Lambrechts, P.; et al. 211
Clinical performance of composite resins. Loey, K.; et al. 118
Clinical three-year comparison of microfilled and conventional composite restorations. Christensen, R.P.; et al. 118
Dimensional change of composites in dry and wet conditions. Hirawata, T.; et al. 378
Staining potential of stainless fluoride treatments. Cooley, R.L.; et al. 384
- ADAPTIC BONDING AGENT**
Evaluation of porcelain repair materials. Ferrando, J.-M.; et al. 544
- ADHESIVENESS**
Adhesiveness of glass-ionomer cement. Coury, T.L.; et al. 155
- ADOLESCENCE**
Study of early periodontal bone loss in adolescents. Latham, N.L.; et al. 304
- ADVERTISING**
Advertising in dentistry. Meinke, H. 495
Paid advertising in attracting clinic patients. Cheney, H.G. 254
Patients of an advertising dental enterprise. Waldman, H.B. 199
Perceptions of an advertising dental enterprise. Waldman, H.B. 83
Specialty advertising products. Kaye, E.M. 420
- AGE DETERMINATION BY SKELETON**
Pubertal growth spurt and maturational indicators. Hagg, U.; et al. 128
- AGE DETERMINATION BY TEETH**
Pubertal growth spurt and maturational indicators. Hagg, U.; et al. 128
- AGE FACTORS**
Effect of appointment time, age, and gender on behavior. Taylor, M.H.; et al. 353
- AGED**
Acceptance of dental services by institutionalized and noninstitutionalized elderly. Floystrand, F.; et al. 142
Accommodating senior citizens in a general dental practice. Shults, I. 27
Ageism: raising consciousness. Gross, D.V. 531
Aging and oral motor function. Baum, B.J.; et al. 321
Attitudes toward the elderly among dental hygiene students. Rakowski, W.; et al. 105
Communicating with the elderly. Galizia, V.; et al. 118
Differences affecting oral health attitudes in the elderly. Kiyak, H.A.; et al. 141
The elderly patient. Lowenthal, U.; et al. 245
Factors influencing Quebec elderly to seek treatment. Kandelman, D.; et al. 250
Food for thought. 648
Lymphatic and blood vessels in gingiva of elderly. Bernick, S.; et al. 316
Myths and realities in caring for the elderly patient. Fordham, K.C., Jr. 28
Our aging society. Clarke, C.L. 531
Perception of needs by the well elderly. Marinelli, R.D.; et al. 141
Relation of dental status, dietary intake in the elderly. Osterberg, T.; et al. 276
- Treatment of cancer of the head and neck in the elderly. Jun, M.Y.; et al. 520
- AGING**
Growing old in America. Terkel, S. 167
Health care of the aging. Gambert, S.R. 532
Periodontal disease and aging. Anderson, D.I. 24
- ANTIS**
Antimicrobial effects of endodontic filling cements. Pupo, J.; et al. 454
Effects of filling material in tissue reactions. Holland, R. et al. 341
Microleakage of four root canal sealer cements. Osins, B.A.; et al. 510
- AIDS** see **ACQUIRED IMMUNODEFICIENCY SYNDROME**
- AIR POLLUTANTS, OCCUPATIONAL**
Controlling contamination with anesthetic gas. Litterer, M.M.; et al. 452
Survey of mercury vapor concentrations in offices. Chopp, G.F.; et al. 497
- ALCOHOL, ETHYL**
Mouthwash as source of acute alcohol poisoning. Goeppel, S.J. 496
- ALCOHOLISM**
Care of the alcoholic patient. Arthur, M.S. 56
- ALCOHOLS**
Influence of alcohols on growth of oral bacteria. Crout, R.J.; et al. 213
- ALGANOL**
Gold foil as an apical sealing material for replantation. Goel, B.R.; et al. 397
- ALGINATES**
An alternative for mixing of irreversible hydrocolloid. Emmer, T.J.; et al. 119
- ALKALINE PHOSPHATASE**
Repair of periodontal disease tissues. Lindskog, S.; et al. 429
- ALLERGY** see **HYPERSENSITIVITY**
- ALLERGY, CONTACT** see **DERMATITIS, CONTACT**
- ALPHA SEAL**
Histologic study of sealant microleakage. Hicks, M.J.; et al. 319
- ALUMINUM OXIDE**
Shrink-free alumina ceramic crowns. Riley, E.J.; et al. 544
- ALVEOLAR PROCESS** see also **DENTAL ARCH**
Effect of electrosurgery on alveolar bone. Azzi, R.; et al. 262
- Drug Effects**
Drugs in the reduction of alveolar bone loss. Feldman, R.S.; et al. 381
Effects of strontium chloride and calcium chloride on alveolar bone. Ferraro, E.F.; et al. 488
Tetracycline treatment of periodontal disease. Williams, R.C.; et al. 102
- Pathology**
Alveolar bone loss in children from areas with various fluoride levels. Linkosalo, E.; et al. 261
Alveolar bone necrosis and tooth loss associated with herpes zoster infection. Wright, V.E.; et al. 465
Factors involved in residual alveolar ridge atrophy. Mercier, P.; et al. 475
Perforation of lingual bone plate. Rud, J. 634
Predicting alveolar bone loss in experimental studies. Jelfcoat, M.K.; et al. 554
- Physiology**
Healing responses of traumatic lesions. Stahl, S.S.; et al. 578
Vital root resection. Haskell, E.W.; et al. 343
- Radiography**
Subtraction radiography showing crestal bone loss. Lurie, A.G.; et al. 438
- Surgery**
Alveolar cleft grafting. Troxell, J.B.; et al. 180
Bone regeneration in an open flap procedure. Polack, R.P. 185
Early bone grafting in cleft lip and palate. Rosenstein, S.W.; et al. 67; (Comment) Johanson, B.; et al. 67
Follow-up of secondary bone grafts in alveolar clefts. Hall, H.D.; et al. 460
- ALVEOLAR RIDGE AUGMENTATION**
Autogenous bone grafts for atrophic edentulous patients. Curtis, T.A.; et al. 235
Findings in patients following ridge augmentation with hydroxylapatite. Larsen, H.D.; et al. 300
- AMBULATORY CARE**
Hospital ambulatory dental programs in Massachusetts. Siegal, M.D.; et al. 418, 535
- AMINE FLUORIDE**
Clinical trial of fluoride dentifrices. Cahen, P.M.; et al. 219

9-AMINOACRIDINE

Comparison of endodontic medications. Cartwright, J.W., Jr.; et al. 6

AMNESIA

Sedation with intravenous diazepam. Lundgren, S.; et al. 300

AMYLASE

Amylase activity in various tissues in rats. Ikano, T.; et al. 323

ANALGESICS

Analgesics for pain relief. Whall, C.W., Jr. 45

ANALGESICS, ANTI-INFLAMMATORY

Diffunisal, a nonsteroidal anti-inflammatory analgesic. 45

ANEMIA, SICKLE CELL

Sickle cell anemia. Andrews, C.H.; et al. 465

Sickle cell anemia. Primley, D.M.; et al. 13

ANESTHESIA, CONDUCTION

Techniques of mandibular analgesia. Goebel, W.M. 509

ANESTHESIA, DENTAL

Clinical study of intraligamentary anesthesia. Kaufman, E.; et al. 289

Clinical trial of bupivacaine anesthesia in endodontics. Moore, P.A.; et al. 268

Conscious-sedation in patient taking MAOI and lithium. Freilich, J.D.; et al. 508

Distribution of solutions in periodontal ligament injection technique. Smith, G.N.; et al. 374

Intraoral maxillary nerve block. Malamed, S.F.; et al. 452

Significance of consciousness during sedation techniques. Bennett, C.R. 453

Techniques of mandibular analgesia. Goebel, W.M. 509

Use of local anesthetics in cleft palate patients. McKinstry, R.E. 195

Instrumentation

New scavenging anesthesia system. Dryden, G.E. 396

Methods

High-pressure periodontal ligament injection. Faulkner, R.K. 399

Inferior alveolar injection technique for left-handed dentist. Carter, D.B.; et al. 65

ANESTHESIA, GENERAL

Arrhythmias during general anesthesia associated with mitral valve prolapse. Boatwright, P.; et al. 173; (Comment) Weinstein, I.R. 173

Carbon dioxide absorption system with simple modification of Bain circuit. Rah, K.H.; et al. 211

CO₂ rebreathing in the modified Bain circuit. Campbell, R.L.; et al. 340

Transcutaneous oxygen monitoring. Kraut, R.A. 172

Instrumentation

New scavenging anesthesia system. Dryden, G.E. 396

Methods

Comparison of intravenous, laryngotracheal lidocaine. Kraut, R.A. 454

ANESTHESIA, LOCAL

Clinical study of intraligamentary anesthesia. Kaufman, E.; et al. 289

Distribution of solutions in periodontal ligament injection technique. Smith, G.N.; et al. 374

Intraoral maxillary nerve block. Malamed, S.F.; et al. 452

Significance of consciousness during sedation techniques. Bennett, C.R. 453

Use of local anesthetics in cleft palate patients. McKinstry, R.E. 195

Adverse Effects

Tests to assess allergy to local anesthetics. Babajews, A.V.; et al. 214

Methods

High-pressure periodontal ligament injection. Faulkner, R.K. 399

ANKYLOSIS

Ankylosis of experimentally replanted teeth. Matsun, L.; et al. 375

TMJ arthroplasty by transfer of the sternoclavicular joint. Siemssen, S.O. 123

ANODONTIA

Development of second premolars in children with cleft palate. Ranta, R. 576

ANOSMIA

Taste and smell in disease. Shiffman, S.S. 550

ANTHROPOLOGY

Continuous eruption of some teeth of ancient populations. Levers, B.G.; et al. 484

ANTHROPOLOGY, PHYSICAL

Factors in inheritance of dental traits. Potter, R.H.; et al. 541

ANTI-INFECTION AGENTS

Prophylactic use of antimicrobial agents. Van Scoy, R.E.; et al. 551

ANTICONVULSANTS

Skeletal and dental growth in epileptic children. Robinson, P.B.; et al. 305

ANTIFORMIN

Use of various agents on instrumented root surfaces. Lasho, D.J.; et al. 355

ANTIGENS, BACTERIAL

Immediate hypersensitivity. Asaro, J.P.; et al. 264

ANTITOXINS

Effectiveness of agents for detoxifying diseased root surfaces. Sarbinoli, J.A.; et al. 241

ANTIVIRAL AGENTS

Antiviral agents. Hermans, P.E.; et al. 551

ANXIETY

Dental anxiety in a university population. Cohen, L.A.; et al. 259

Dental fear and diazepam. Hall, N.; et al. 552

Waiting and anxiety. Coffey, P.A.; et al. 592

APHTHAE see STOMATITIS, APHTHOUS

APICOECTOMY

Apicoectomy on molars. Ioannides, C.; et al. 572

Re-examination of apicoectomized teeth. Mikkonen, M.; et al. 284

APPOINTMENTS AND SCHEDULES

Effect of appointment time, age, and gender on behavior. Taylor, M.H.; et al. 353

Recall system—a basic marketing technique. Cross, G.P. 309

ARRHYTHMIA

Arrhythmias during general anesthesia associated with mitral valve prolapse. Boatwright, P.; et al. 173; (Comment) Weinstein, I.R. 173

ARTERIES

Facial artery calcification. Miles, D.A.; et al. 524

ARTHRITIS

Considerations when diagnosing, treating patients with facial pain. Lipton, J.A.; et al. 477

Therapeutic injection of TMJ. Agus, B.; et al. 414

ARTHRITIS JUVENILE RHEUMATOID

Tooth erosion in children with rheumatoid arthritis. Sullivan, R.E.; et al. 577

ASBESTOS

Lymphomas of the oral cavity linked to asbestos exposure. Ross, R.; et al. 181

ASEPSIS

Minimizing potential infections in dental practice. Molinari, J.A.; et al. 204

ASPA

Adhesiveness of glass-ionomer cement. Coury, T.L.; et al. 155

ASPIRIN

Drugs in the reduction of alveolar bone loss. Feldman, R.S.; et al. 381

Tooth erosion in children with rheumatoid arthritis. Sullivan, R.E.; et al. 577

ATHEROSCLEROSIS

Facial artery calcification. Miles, D.A.; et al. 524

ATROPHY

Factors involved in residual alveolar ridge atrophy. Mercier, P.; et al. 475

ATTITUDE

Attitudes toward the elderly among dental hygiene students. Rakowski, W.; et al. 105

Awareness of prevention in dentistry. Bakdash, M.B.; et al. 385

Career assistance programs in dental education: students' perceptions. Garbee, W.H., Jr. 367

Children's perceptions of their own malocclusions. Lindsay, S.J.; et al. 353

Comparative attitudes of graduates, drop-outs toward dental hygiene education. Young, L.J. 366

Dental students' attitudes toward the handicapped. Lee, M.M.; et al. 423

Patient and public attitudes toward clinical trials. Cassileth, B.R.; et al. 52

Perceptions of an advertising dental enterprise. Waldman, H.B. 83

ATTITUDE OF HEALTH PERSONNEL

Practices, extent, and contact of dentists with elderly patients. Kiyak, H.A.; et al. 104

ATTITUDE TO HEALTH

Attitudes toward dental health and use of dental services. Weintraub, J.A. 538

Dentistry and public's health. Ting, G.K. 89

Differences affecting oral health attitudes in the elderly. Kiyak, H.A.; et al. 141

Measurement of attitudes toward malocclusion. Fox, R.N.; et al. 72

Oral health and dental attitudes among university students. Cohen, L.; et al. 442

ATTRITION, DENTAL see TOOTH ABRASION

AUDIO-VISUAL AIDS

Video-tapes as diagnostic aids in orthognathic surgery. Friedman, J.M.; et al. 347

AZLOCILLIN

New broad-spectrum penicillins. Eliopoulos, G.M.; et al. 215

B

BACTERIA

Material adherent to periodontal probes. Barnett, M.L.; et al. 156

BACTERIAL INFECTIONS

Clinical infection after periodontal surgery. Pack, P.D.; et al. 626

BACTERIAL VACCINES

Vaccination against caries. Lehner, T. 596

BACTERIOIDES

Bacterioides and *Actinobacillus* collagenase. Robertson, P.B.; et al. 157

BACTERIOIDES FRAGILIS

Influence of alcohols on growth of oral bacteria. Crout, R.L.; et al. 213

BACTERIOIDES MELANINOCENICUS

Evaluation of irrigants in elimination of *B. melaninogenicus*. Foley, D.B.; et al. 548

BARIUM HYDROXIDE

Pulp capping with calcium, barium, strontium hydroxides. Holland, R.; et al. 150

BEHAVIOR

Patterns of activity change in orthognathic surgery patients. Lam, T.; et al. 297

Type A behavior. Swogger, G., Jr. 609

BENZALKONIUM CHLORIDE

Comparison of endodontic medications. Cartwright, J.W., Jr.; et al. 6

BETAMETHASONE

Effect of medications after third molar removal. van der Zwan, J.; et al. 437

BIOCOMPATIBLE MATERIALS

Dental implant update on biomaterials and biomechanics. Lemons, J.E. 412

Retention characteristics of a porous rooted alloy for dental implants. Cook, S.D.; et al. 209

BIOETHICS

Bioethics in dentistry. Dummett, C.O. 332

BIOFEEDBACK

Biofeedback in the treatment of nocturnal bruxism. Moss, R.A.; et al. 36

BIOFEEDBACK (PSYCHOLOGY)

Use of biofeedback to obtain jaw-muscle relaxation. Yemm, R. 425

BIOPSY

Survey of tissue-diagnostic services. Miller, A.S.; et al. 145

BLOOD

Amylase activity in various tissues in rats. Ikano, T.; et al. 323

Influence of plasma and salivary constituents on dentin permeability. Pashley, D.H.; et al. 148

BONDING, DENTAL

Analysis of fractured restorative resin/etched enamel bonds. Zidan, O.; et al. 44

Bond failure rates of facial, lingual attachments. Geiger, A.M.; et al. 408

Bond strength of spray-opaque porcelain to metal. Matyas, J.; et al. 264

The bonding chain. Winnett, A.J. 518

Bracket placement and bond strength in two techniques. Acquire, M.J.; et al. 127

Correlations between bonding of composites and mechanical properties. Boyer, D.B.; et al. 318

Effects of recycling on direct-bonding brackets. Mascia, V.E.; et al. 73

Etched casting resin-bonded retainers for periodontal splinting. Wood, M. 191

Evaluation of phosphoric acid concentrations. Gottlieb, F.W.; et al. 8

Fluoride-containing orthodontic cements. Sadowsky, P.L.; et al. 432

Resins to resins. Chan, K.C.; et al. 600

State of the art of resin-bonded bridges. Gratton, D.R.; et al. 528

Methods

Orthodontic bonding techniques in general practice. Gorelick, L.; et al. 517

BONES AND BONES

Transplantation

Bone regeneration in an open flap procedure. Polack, R.P. 185

Demineralized bone implants in treating jaw defects. Kaban, L.B.; et al. 11

Evaluation of decalcified freeze-dried bone allografts. Quintero, G.; et al. 472

Freeze-dried bone allografts with and without autogenous bone grafts. Sanders, J.J.; et al. 242

Healing of allogeneic lyophilized bone grafts. Frost, D.E.; et al. 263

Use of lyophilized bone grafts in Hofer's osteotomy. Jauw, S.L. 570

BONE DISEASES

Critical temperature to cause bone injury. Eriksson, A.R.; et al. 552

- Radiographic appearance of bony lesions. Bender, I. 102
- BONE DISEASES, DEVELOPMENTAL**
Autosomal dominant cemental dysplasia. Sedano, H.O. 182
- BONE PLATES**
Use of bone plates for maxillary stabilization. Frost, D.E.; et al. 570
- BONE REGENERATION**
Bone cell differentiation and growth factors. Urist, M.R.; et al. 605
Bone regeneration in an open flap procedure. Pollock, R.P. 185
- BONE RESORPTION**
Alveolar bone loss in children from areas with various fluoride levels. Linkosalo, E.; et al. 261
- Chemically Induced**
Drugs in the reduction of alveolar bone loss. Feldman, R.S.; et al. 381
Response to materials used for repair of furcation perforations. El Deeb, M.E.; et al. 150
- Diagnosis**
Predicting alveolar bone loss in experimental studies. Jellcoat, M.K.; et al. 554
- Drug Therapy**
Tetracycline treatment of periodontal disease. Williams, R.C.; et al. 102
- History**
Osteolytic lesions in ancient South Dakota skulls. Gregg, J.B.; et al. 147; (Comment) Koritzer, R.T. 47
- Occurrence**
Study of early periodontal bone loss in adolescents. Latham, N.L.; et al. 304
- Prevention and Control**
Effect of dichloromethylene diphosphonate on fluoride balance. Maheshwari, U.R.; et al. 473
Serves you right. 648
Vital root resection. Haskell, E.W.; et al. 343
- Radiography**
Longitudinal study of bone loss of furcated molars. Bjorn, A.-L.; et al. 130
Subtraction radiography showing crestal bone loss. Lurie, A.G.; et al. 438
- Surgery**
Effect of submerging roots with periodontal defects. Evian, C.I.; et al. 409
- BOREX**
Cleaning of diamond burs. Harkness, H.; et al. 287
- BOTTLE FEEDING**
Characteristics of children with nursing bottle caries. Johnsen, D.C. 75
- BRUXISM**
Biofeedback in the treatment of nocturnal bruxism. Moss, R.A.; et al. 36
- BUPIVACAINE**
Clinical trial of bupivacaine anesthesia in endodontics. Moore, P.A.; et al. 268
- BURNS, ELECTRICAL**
Modified retention splint for infants with oral electrical burns. Graubard, S.A.; et al. 12
- 2-BUTANOIC ACIDS**
Assessments of experimental cavity cleaners. Mjor, I.A.; et al. 214
- C**
- CAFFEINE**
Caffeine consumption and health. Curatolo, P.W.; et al. 559
- CALCIUM**
Plaque mineral analysis from various fluoride level areas. Grobler, S.R.; et al. 148
- CALCIUM CARBONATE**
Caries prevalence, diagnostic criteria, and clinical trials. Glass, R.L.; et al. 439
- CALCIUM CHLORIDE**
Effects of strontium chloride and calcium chloride on alveolar bone. Ferraro, E.F.; et al. 488
- CALCIUM GLYCEROPHOSPHATE**
Improving the caries-inhibiting effect of dentifrices. Mainwaring, P.J.; et al. 42
- CALCIUM HYDROXIDE**
Comparison of calcium hydroxide and ZOE pulpectomies in dogs. Hendry, J.A.; et al. 42
Effect of cement base thicknesses on MOD amalgam restorations. Farah, J.W.; et al. 400
Pulp capping with calcium, barium, strontium hydroxides. Holland, R.; et al. 150
Response to materials used for repair of furcation perforations. El Deeb, M.E.; et al. 150
- CALCON**
Denture-cleaning agent efficacy. Ghalichebal, M.; et al. 132
- CANADA**
Survey of Canadian dental hygienists. Lewis, D.W. 197
- CANDIDA ALBICANS**
Antibodies and adherence of *Candida albicans*. Epstein, J.B.; et al. 95
Effect of secretory IgA on adherence of *C. albicans* to oral epithelial cells. Vudhichamnong, K.; et al. 151
- CANDIDIASIS**
Acquired-cell immune deficiency syndrome. Heideleman, J.F.; et al. 405
A possible clinical entity: cheilo-candidosis. Reade, P.C.; et al. 16
- CANDIDIASIS, ORAL**
Orofacial manifestations of childhood malignancy. Scully, C.; et al. 350
- CANINE TOOTH** see CUSPID
- CANKER SORE** see STOMATITIS, APHTHOUS
- CAPNOCYTOPHAGA**
In vitro colonization of dentin by *C. gingivalis*. Adriaens, P.A.; et al. 267
- CAPSULITIS**
Chart to aid diagnosis of myospasm and TMJ capsulitis. Frumker, S.C. 295
- CARBAMAZEPINE**
Effects of carbamazepine or phenytoin on the oral state. Lundstrom, A.; et al. 215
- CARBOHYDRATES**
Answers to five questions about sugar. Carlos, J.P. 596
Association of caries with oral hygiene, sugar consumption. Kleemola-Kujala, E.; et al. 220
Sugars and dental decay. Sheiham, A. 447
- CARBON**
Composite resins reinforced with carbon fibers. Kilfoil, B.M.; et al. 599
- CARBON DIOXIDE**
Carbon dioxide absorption system with simple modification of Bain circuit. Rah, K.H.; et al. 211
CO₂ rebreathing in the modified Bain circuit. Campbell, R.L.; et al. 340
- CARBON DIOXIDE SNOW** see DRY ICE
- CARBONYLCYANIDE P-TRIFLUOROMETHOXYPHENYL HYDRAZONE**
Inhibition of the glycolysis of oral bacteria. Vadeboncoeur, C.; et al. 98
- CARBOXYLIC ACIDS**
Carboxylic acids, plaque pH in patients with denture stomatitis. Samaranyake, L.P. et al. 466
- CARCINOMA**
Chemotherapy-associated oral infections in adults. Dreizen, S.; et al. 238
Papillary and verrucous lesions. Eversole, L.R.; et al. 406
Prognostic relevance of factors in oral carcinoma. Platz, H.; et al. 405
- CARCINOMA, INTRAOSSEOUS, PRIMARY** see ODONTOGENIC TUMORS
- CARCINOMA, PAPILLARY**
Oral carcinomas associated with snuff dipping. Sundstrom, B.; et al. 14
Papillary and verrucous lesions. Eversole, L.R.; et al. 406
- CARCINOMA, SQUAMOUS CELL**
Clinicopathologic correlations of premalignant lesions, carcinomas. Kootman, J.; et al. 126
Etiological factors in oral squamous cell carcinoma. Binnie, W.H.; et al. 296
Oral carcinomas associated with snuff dipping. Sundstrom, B.; et al. 14
Thymidine kinase activity in oral carcinoma. Scully, C. 16
Vitamin E inhibition of hamster buccal pouch carcinogenesis. Weerapradist, W.; et al. 100
- CARCINOMA, VERRUCCOUS** see CARCINOMA, PAPILLARY
- CARDIOVASCULAR SYSTEM**
Cardiovascular physiology during nonsurgical endodontics. Steiman, H.R.; et al. 159
- CAREER CHOICE**
Career assistance programs in dental education: students' perceptions. Garbee, W.H., Jr. 367
- CARIOGENIC AGENTS**
Caries-promoting properties of standard foods in laboratory rats. Navia, J.M.; et al. 638
- CAT SCAN, X-RAY** see TOMOGRAPHY, X-RAY COMPUTED
- CATTLE**
Remineralization of artificial carieslike lesions with milk. Mor, B.M.; et al. 260
- CAVIT**
Interappointment endodontic sealing agents. Bernstein, D.A.; et al. 209
Periodontal tissues adjacent to filled root perforations. Jew, R.C.; et al. 42
- Response to materials used for repair of furcation perforations.** El Deeb, M.E.; et al. 150
- CEMENTATION**
Cementation of space maintainers. Croll, T.P. 299
Frozen-slab technique for cementing cast restorations. Palermo, J.J.; et al. 64
Mechanism of adhesion of polyelectrolyte cements. Wilson, A.D.; et al. 484
Reducing marginal discrepancies of cemented castings. Webb, E.L.; et al. 459
- CENTRIC RELATION** see DENTAL OCCLUSION, CENTRIC
- CEPHALOMETRY**
Improved radiation hygiene in lateral cephalometry. L'Abbe, E.M.; et al. 18
Soft tissue changes in surgically treated patients with bimaxillary protrusion. Dewan, S.K.; et al. 349
- CEREBRAL PALSY**
Dentistry and the handicapped child. Thornton, J.B. 360
- CHEILITIS**
A possible clinical entity: cheilo-candidosis. Reade, P.C.; et al. 16
- CHEMOTAXIS, LEUKOCYTE**
Bacterial inhibition of neutrophil chemotaxis. Van Dyke, T.E.; et al. 156
- CHEMOTHERAPY** see DRUG THERAPY
- CHEWING** see MASTICATION
- CHEWING GUM**
Effects of xylitol, sorbitol sweetened chewing gums on plaque. Rekola, M. 163
Plaque accumulation with sugared, sugar-free gum. Addy, M.; et al. 51
- CHILD**
Children's perceptions of their own malocclusions. Lindsay, S.J.; et al. 353
- CHILD ABUSE**
Child abuse? Wright, J.T.; et al. 573
Confronting child abuse. Doline, S.L. 335
- CHILD BEHAVIOR**
Child behavior in the office relative to parental presence. Pfeiffer, J.C.; et al. 371
Effect of appointment time, age, and gender on behavior. Taylor, M.H.; et al. 353
- CHILD DEVELOPMENT DISORDERS**
Increasing cooperation of developmentally disabled children. Masek, B.J.; et al. 304
- CHILD, PRESCHOOL**
Use of preschool dental services in New Zealand. Beutrais, A.L.; et al. 251
- CHILDREN**
Oral hygiene for children. Leatherman, G.H. 168
- CHLORHEXIDINE**
Adverse Effects
Gingival bleeding after use of chlorhexidine mouthrinses. Ainamo, J.; et al. 46
Metabolism
Penetration of fluoride and chlorhexidine in plaque. Melsen, B.; et al. 427
Pharmacodynamics
Three-year clinical study of effect of chlorhexidine gel on caries activity. Zickert, I.; et al. 162
Therapeutic Use
Chlorhexidine in review. Tonelli, P.M.; et al. 492
Effect of dentifrice rinses compared with chlorhexidine. Addy, M.; et al. 386
Plaque accumulation after use of chlorhexidine gluconate. Addy, M.; et al. 492
Reduction of *S. mutans* interdentally by chlorhexidine. Kristoffersson, K.; et al. 266
Stannous fluoride and chlorhexidine irrigation in plaque control. Wieder, S.G.; et al. 386
Use of chlorhexidine after treatment of periodontal disease. Westfelt, E.; et al. 385
- CHLORHEXIDINE GLUCONATE**
Enhancing the antimicrobial action of polycarboxylate cement. Schwartzman, B.; et al. 96
- CHOLESTEROL**
Effect of coffee drinking on serum cholesterol. Thelle, D.S.; et al. 558
- CHROMIUM ALLOYS**
Retention characteristics of a porous rooted alloy for dental implants. Cook, S.D.; et al. 209
- CITRIC ACID**
Pharmacodynamics
Effect of citric acid treatment of denuded root surfaces. Polson, A.M.; et al. 208
Effectiveness of agents for detoxifying diseased root surfaces. Sarbinoff, J.A.; et al. 241
Periodontal wound healing with citric acid conditioning. Nalbandian, J.; et al. 376
Therapeutic Use
Citric acid effects on attachment of flaps. Common, J.; et al. 242
Citric acid treatment of periodontally diseased root surfaces. Daly, C.G. 266

- Effects of citric acid on exposed periodontal attachment. Crigger, M.; et al. 628
- Periodontally diseased roots after citric acid demineralization. Albair, W.B.; et al. 76
- Use of various agents on instrumented root surfaces. Lasho, D.J.; et al. 355
- CLEARFIL BOND SYSTEM-F**
- Pulpal response to a new adhesive resin. Inokoshi, S.; et al. 150
- CLEFT LIP**
- Complications*
- Craniofacial morphology in infants with clefts. Dahl, E.; et al. 318
- Physiopathology*
- Growth in different cleft types from 1 month to 10 years. Krogman, W.M.; et al. 92
- Surgery*
- Comparison of two unilateral cleft lip repairs. Holtmann, B.; et al. 346
- Early bone grafting in cleft lip and palate. Rosenstein, S.W.; et al. 67; (Comment) Johanson, B.; et al. 67
- Therapy*
- Effects of presurgical oral orthopedics in cleft patients. Peat, J.H. 18
- CLEFT PALATE**
- Use of local anesthetics in cleft palate patients. McKinsty, R.E. 195
- Complications*
- Craniofacial morphology in infants with clefts. Dahl, E.; et al. 318
- Development of second premolars in children with cleft palate. Ranta, R. 576
- Physiopathology*
- Growth in different cleft types from 1 month to 10 years. Krogman, W.M.; et al. 92
- Rehabilitation*
- Pharyngeal wall motion in cleft palate adults wearing prosthetic speech appliances. Beery, Q.C.; et al. 359
- Surgery*
- Alveolar cleft grafting. Troxell, J.B.; et al. 180
- Early bone grafting in cleft lip and palate. Rosenstein, S.W.; et al. 67; (Comment) Johanson, B.; et al. 67
- Epinephrine with halothane anesthesia for closure of cleft palate. Ueda, W.; et al. 454
- Follow-up of secondary bone grafts in alveolar clefts. Hall, H.D.; et al. 460
- Norman Kingsley. Herschfeld, J.J. 495
- Palatal closure at 3 to 7 months of age. Randall, P.; et al. 520
- Speech outcomes with early cleft palate repair. Dorf, D.S.; et al. 124; (Comment) Trost, J.E. 124
- Therapy*
- Effects of presurgical oral orthopedics in cleft patients. Peat, J.H. 18
- CLINICAL COMPETENCE**
- Criterion referenced preclinical evaluation system. Carr, E.H.; et al. 313

Strength of endodontic files. Roth, W.C.; et al. 489
Ultraspeed instruments in finishing enamel cavosurface bevels. Barkmeier, W.W.; et al. 288

DENTAL MATERIALS

- Inventory control made easy. Francis, L.D. 201
Scarcity of dental materials. Kusy, R.P. 166

DENTAL MODELS

- Accuracy of four removable die systems. Myers, M.; et al. 96
Technique for indexing presurgical progress models. Sauer, G.J. 72

DENTAL OCCLUSION

- Bitestick appliance for the quadriplegic. Mulligan, R. 304
Changes in orthodontic treatment relationships. Sadowsky, C.; et al. 298
Classification and treatment of phantom bite. March, J.L.; et al. 370
Clinical study in the registration of the retruded contact position. Forsell, H. 7
Effect of occlusal splint therapy and occlusal adjustment. Lederman, K.H.; et al. 533
Mandibular position and appendage muscle strength. Williams, M.O.; et al. 321
Occlusal adjustment in residual or recurrent mandibular dysfunction. Magnusson, T.; et al. 342
Occlusal force in normal and long-face children. Proffit, W.R.; et al. 468
Occlusal forces in normal and long-face adults. Proffit, W.R.; et al. 467
Occlusal registration strips. Halperin, G.C.; et al. 154
Occlusion in the dental curriculum. Esposito, C.J.; et al. 313

- A recording rim for functionally generated occlusal registrations. Cacciali, M.; et al. 475
Videotapes as diagnostic aids in orthognathic surgery. Friedman, J.M.; et al. 347

DENTAL OCCLUSION, BALANCED

- Appliance to relieve intraoral pressures during orthopedic treatment. Levenson, M.F. 286
Follow-up after stomatognathic treatment. Magnusson, T.; et al. 286

DENTAL OCCLUSION, CENTRIC

- Centric relation: functional anatomy. Gilboe, D.B. 483
Mandibular position and appendage muscle strength. Williams, M.O.; et al. 321
Occlusal tooth contacts in the intercusp position. Riise, C. 174
Simultaneous registration of centric relation and vertical dimension of occlusion. Davis, D.J. 22

DENTAL OFFICES

- Accommodating senior citizens in a general dental practice. Shults, I. 27
Drywall construction as a radiation barrier. MacDonald, J.C.; et al. 333
Evacuation of nitrous oxide from the dental operatory. Carlsson, P.; et al. 602
Lighting your world. Neubert, R.; et al. 249
Survey of mercury vapor concentrations in offices. Chopp, G.F.; et al. 497
Waiting and anxiety. Coffey, P.A.; et al. 592

DENTAL PINS

- Another look at the amalgam pin technique. Leach, C.D.; et al. 545
Complete penetration with modified self-threading pins. Butchart, D.G.; et al. 346
Depth of seating of pins. Kelsey, W.P., III; et al. 457
Microleakage of pin-retaining devices. Hembree, J.H., Jr. 154
New self-threading pin. Butchart, D.G. 639

DENTAL PLAQUE

- Integuments on dental restorative materials. Skjotland, K.K. 91
Plaque and gingival health surrounding stainless steel crowns. Durr, D.P.; et al. 73
Prevention of caries by insoluble glucan component of plaque. Simonson, L.G.; et al. 373

Adverse Effects

- Plaque-induced gingival inflammation in the absence of attached gingiva. Wennstrom, J.; et al. 528

Analysis

- Acidogenic microbial composition of plaque. Hayes, M.L.; et al. 549
Carboxylic acids, plaque pH in patients with denture stomatitis. Samaranyake, L.P.; et al. 466
Lithium in saliva and caries. Agus, H.M.; et al. 427
Plaque mineral analysis from various fluoride level areas. Grobler, S.R.; et al. 148

Drug Effects

- Effect of xylitol on plaque. Topitsoglou, V. 615

Drug Therapy

- Clinical effects of topical fluorides. Yankell, S.L.; et al. 161

Metabolism

- Acidogenic potential of foods at interproximal sites. Jensen, M.E.; et al. 636
Association between plaque and gingival Langerhans cells. Mewcomb, G.M.; et al. 94
Effect of NaF rinse on plaque acidogenicity and fluoride content. Geedee, D.A.; et al. 260
Effects of copper and zinc retention in dental plaque. Afseth, J. 594
Effects of xylitol, sorbitol sweetened chewing gums on plaque. Rekola, M. 163
Fluoride concentrations in plaque and enamel. Schamschula, P.G.; et al. 542
Hydrolysis of MFP by plaque microorganisms. Jackson, L.R. 38
In vitro plaque formation on dental materials. Dummer, P.M.; et al. 158
Influence of fatty acids on plaque and caries. Williams, K.A.; et al. 207
Inhibition of the glycolysis of oral bacteria. Vadeboncoeur, C.; et al. 98
Movement of fluoride from enamel to plaque. Klimek, J.; et al. 595
Penetration of fluoride and chlorhexidine in plaque. Melsen, B.; et al. 427
Production of acids in plaque with or without *S. mutans*. van der Hoeven, J.S.; et al. 320

Occurrence

- Plaque accumulation with sugared, sugar-free gum. Addy, M.; et al. 51

Pathology

- Microbial multiplication during plaque growth. Brex, M.; et al. 548

Prevention and Control

- Clinical trial of octenidine mouthrinse. Patters, M.R.; et al. 493
Effect of dentifrice rinses compared with chlorhexidine. Addy, M.; et al. 386
Plaque accumulation after use of chlorhexidine gluconate. Addy, M.; et al. 492
Plaque inhibiting effect of extracts of chewing sticks. Wolinsky, L.E.; et al. 434
Plaque removal and gingival response to waxed and unwaxed dental floss. Lamberts, D.M.; et al. 108
Poststudy effects of a plaque control program. Ashley, F.P.; et al. 220
Prevention of plaque formation in preschool children. Hochenadel, A.M.; et al. 107
Results of two-year plaque control program. Zickert, I.; et al. 218
Stannous fluoride and chlorhexidine irrigation in plaque control. Wieder, S.G.; et al. 386
Use of chlorhexidine after treatment of periodontal disease. Westfelt, E.; et al. 385

DENTAL PLAQUE INDEX

- Self-inspection plaque index. Baab, D.A.; et al. 556

DENTAL PORCELAIN

- Bond strength of spray-opaque porcelain to metal. Matyas, J.; et al. 264
Evaluation of finishing techniques on porcelain-bonded-to-metal crowns. Newitter, D.A.; et al. 10
In vitro plaque formation on dental materials. Dummer, P.M.; et al. 158
Shrink-free alumina ceramic crowns. Riley, E.J.; et al. 544
Thicknesses of opaque and body porcelain. Barghi, N.; et al. 23

DENTAL PROPHYLAXIS

- Comparison of engine polishing and toothbrushing. Waring, M.B.; et al. 327
Enamel polish and abrasion by prophylaxis pastes. Putt, M.S.; et al. 212
Frequency of prophylaxis for healing after surgery. Westfelt, E.; et al. 354
Toothcleaning and topical fluoride procedures. Steele, R.C.; et al. 91

DENTAL PROSTHESIS

- Appliance to relieve intraoral pressures during orthopedic treatment. Levenson, M.F. 286
Interim protective prosthesis during cancer chemotherapy. DePaola, L.G. 300
Modified retention splint for infants with oral electrical burns. Graubard, S.A.; et al. 12
Radiation-shield prosthesis for the tongue. Fleming, T.J.; et al. 302

DENTAL PROSTHESIS DESIGN

- Functional contouring of the denture palatal vault. Goyal, B.K.; et al. 188
Posterior palatal seal location. Calomeni, A.A.; et al. 356

Restorations accommodating preexisting cast crown. Brady, W.F. 9
Retention and resistance in three-quarter crowns. Kishimoto, M.; et al. 233
Techniques for esthetic dental veneering materials. Smith, D.C.; et al. 119
Topography of margins of butt, beveled Class V preparations. Relief, D.H.; et al. 9
Wear of a restorative composite resin in vivo. Abell, A.K.; et al. 489
- Adverse Effects**
Restorative treatment as etiologic factor in mandibular dysfunction. Kampe, T.; et al. 415
- Instrumentation**
Occlusal registration strips. Halperin, G.C.; et al. 154
Resin discoloration from manipulation with hand instruments. Hirschfeld, Z.; et al. 121
- Methods**
Amalgam finishing techniques and scanning electron microscopy. Reavis-Scruggs, R. 176
Another look at the amalgam technique. Leach, C.D.; et al. 545
Cast and composite resin buildup technique. Rzepka, H.S.; et al. 120
Clinical technique for amalgam repair. Cowan, R.D. 177
Effects of acid-etch procedures on amalgam restorations. Leach, C.D.; et al. 343
Evaluation of phosphoric acid concentrations. Gottlieb, E.W.; et al. 8
Frozen-slab technique for cementing cast restorations. Palermo, J.J.; et al. 64
Heat adaptation for the laminate veneer. Helpin, M.L.; et al. 345
Instrumenting Class I amalgam restorations. Maxwell, E.H.; et al. 10
Paint-on restorative system for treatment of cervical erosion lesions. Soelberg, K.B.; et al. 400
Polishing procedures for microfilled resins. de Wet, F.A.; et al. 377
Preparation features of MOD onlays. Kishimoto, M.; et al. 177
Restoring interdental space. Boner, C.; et al. 580
Smoothness of polished microfilled composite resins. Reinhardt, J.W.; et al. 290
Two-year clinical study of burnished amalgam restorations. May, K.N., Jr.; et al. 231
Ultraspeed instruments in finishing enamel cavosurface bevels. Barkmeier, W.W.; et al. 288
Use of glazing materials for finishing of composite surfaces. Lambrechts, P.; et al. 43
- DENTAL RESTORATION, TEMPORARY**
In-office procedure for acrylic provisional restorations. Davidoff, S.R. 175
Separate adjacent provisional restorations. LaBarre, E.E. 344
- DENTAL SERVICE, HOSPITAL**
An educational model for institutional dental hygiene. Holmes, M.H.; et al. 365
Dental consultants in hospitals. Greenberg, M.S. 54
Dental health education program for state facilities. Fenton, S.J.; et al. 194
Hospital ambulatory dental programs in Massachusetts. Siegal, M.D.; et al. 418, 535
Hospital care in pedodontics. Davis, M.J.; et al. 139
Hospital dental care. Nash, M.E. 249
- DENTAL STAFF**
Learning contracts in the dental office. Willis, D.O. 590
Selection and training of dental office staff. Piesse, S. 86
The what-are-we-doing-right-stuff meeting. Emmott, L.F. 87
- DENTAL STRESS ANALYSIS**
Effects of post diameter on stress distribution. Mattison, G.D.; et al. 344
Influence of implant geometry on stress distribution. Cook, S.D.; et al. 43
Stress at connector sites of anterior fixed prostheses. Jochen, D.G.; et al. 356
Three-dimensional element model of a human tooth. Rubin, C.; et al. 382
- DENTICLE** see **DENTAL PULP CALCIFICATION**
- DENTIFRICES**
Combined effects of fluoride dentifrice and mouthrinse. Blinkhorn, A.S.; et al. 325
Dentifrices containing 250 and 1,000 ppm fluoride. Koch, G.; et al. 441
Effect of dentifrice rinses compared with chlorhexidine. Addy, M.; et al. 386
Enamel polish and abrasion by prophylaxis pastes. Putt, M.S.; et al. 212
- DENTIN**
Clinical study of use of dentin chips in pulpectomies. Petersson, K.; et al. 173
Growth and Development
Rate of secondary dentin formation in monkeys. Wennberg, A.; et al. 41
Metabolism
Effect of topical fluorides on acid resistance of root dentin. Tveit, A.B.; et al. 149
Physiology
Healing after implantation of health roots. Lopez, N.J.; et al. 553
Ultrastructure
Studies of the transparent layer of carious dentin. Ogawa, K.; et al. 373
Ultrastructure of human dentinal tubules. Thomas, H.F.; et al. 597
- DENTIN PERMEABILITY**
Influence of plasma and salivary constituents on dentin permeability. Pashley, D.H.; et al. 148
- DENTIN SENSITIVITY**
Diagnosis
Measuring pain associated with hypersensitive dentin. Thrash, W.J.; et al. 380
Metabolism
Influence of plasma and salivary constituents on dentin permeability. Pashley, D.H.; et al. 148
Pathology
Investigations of dentin sensitivity. Lilja, J.; et al. 93
Prevention and Control
Electro-ionizing toothbrush to control dentinal hypersensitivity. Johnson, R.H.; et al. 153
Therapy
Fluoride iontophoresis for dentinal hypersensitivity. Jeske, A.H. 10
- DENTIN SOLUBILITY**
Influence of dequalinium acetate and sodium hypochlorite on the human dentition. Zach, A.; et al. 398
- DENTIST-PATIENT RELATIONS**
Communicating with the elderly. Galizia, V.; et al. 138
Communication with the physically disabled. Eigen, B.N. 138
Developing skills in human relations. Whitman, J.K. 418
Effective communication in the dental office. Barington, K. 588
A hypothesis as to why some patients "let it all go". Stropko, J. 162
The importance of listening. St. Germain, H.A., Jr. 200
Insight to recognize personal needs. Zeeb, P. 27

Bioethics in dentistry. Dummett, C.O. 332
The dental profession and the global goals. Sundberg, H. 612
Electrosurgery in dental practice. Trice, W.B. 461
Public image of dentistry in Finland. Murtomaa, H.; et al. 54
Reduced treatment needs in private practice. Scavotto, S.P. 589
Survey of New Zealand dental practice. Hunter, P.B.; et al. 28
- Trends**
Dentistry—a changing profession. Cherrick, H.M. 279
Future trends in dentistry. Vining, R.V. 278
- DENTISTRY, OPERATIVE**
Education within combined departments. van de Poel, A.C.; et al. 256
Evaluation system for preclinical restorative dentistry. Edwards, W.S.; et al. 314
- DENTISTS**
Dental consultants in hospitals. Greenberg, M.S. 54
Dentistry in the practice of pharmacy. Lee, M.B. 223
Occupational health problems of dentists, dental assistants. Murtomaa, H. 85
Practices, extent, and contact of dentists with elderly patients. Kiyak, H.A.; et al. 104
Sticking together for professional survival. Penna, R.A. 222
Success rate of foreign-trained dentists taking licensure examinations. Chohayeb, A.A.; et al. 254
The two-way street of voluntarism. Christen, A.G. 499
- History**
Talma—dentist and actor. Fourie, J. 494
- Psychology**
Stress and strain in the dental profession. Littner, M.M.; et al. 110
- DENTITION**
Longitudinal study of deciduous dentition development. Nystrom, M. 298
- DENTURE CLEANSERS**
Denture-cleaning agent efficacy. Ghalichebaf, M.; et al. 132
Effectiveness of ultrasonic denture cleaning. Gwinnett, A.J.; et al. 630
Isolation of pathogenic microorganisms from dentures and soaking containers. DePaola, L.G.; et al. 196
Sodium hypochlorite as denture cleaner. Kempler, D.; et al. 21
- DENTURE, COMPLETE**
Adaptation to denture wearing. Laine, P. 190
Adaptational problems of the elderly to complete dentures. Lechner, S.K. 245
Anatomic landmarks and complete dentures. Tau, S.; et al. 591
Attachments for ramus frame prosthesis. Daniel, R.E.; et al. 475
Autogenous bone grafts for atrophic edentulous patients. Curtis, T.A.; et al. 235
Denture home care. Tarbet, W.J. 131
Denturegate. Sognnaes, R. 616
Insertion procedures for complete dentures. Goldstein, G.R.; et al. 21
Isolation of pathogenic microorganisms from dentures and soaking containers. DePaola, L.G.; et al. 196
Jaw muscle activity and facial morphology in complete denture wearers. Tallgren, A.; et al. 437
Masticatory efficiency of patients with dentures. Gunne, H.S.; et al. 191
Recurrent headache and mandibular dysfunction. Magnusson, T. 189
Tissue massage for the edentulous patient. Tautin, F.S. 191
- DENTURE, COMPLETE, UPPER**
Functional contouring of the denture palatal vault. Goyal, B.K.; et al. 188

- Maxillary denture fracture. Farmer, J.B. 630
 Posterior palatal seal location. Calomeni, A.A.; et al. 356
 Procedure for correcting inadequate post-palatal seal. Lauer, W.R.; et al. 243
- DENTURE, OVERLAY**
 Current concepts: dental implants and overdentures. Castleberry, D.J. 411
 Dental and periodontal status of overdenture abutments. Renner, R.P.; et al. 132
 Five-year evaluation of patients with overdentures. Toolson, L.B.; et al. 474
 Magnetic retention for overdentures. Gillings, B.R. 357
 Overdenture abutment tooth contour. Graser, G.N.; et al. 243
 Rationale in tooth retention for overdentures. Bell, D.P. 190
- DENTURE, PARTIAL**
 Adaptation to denture wearing. Laine, P. 190
 Denture home care. Tarbet, W.J. 131
- DENTURE, PARTIAL, FIXED**
 Combination plaster and rubber base impression technique for fixed and removable partial dentures. Jacobi, R. 301
 The embedded bar bridge. Davis, V.W. 629
 Etching technique for etched-metal bridges. McLaughlin, G. 63
 Movement of abutments in spring cantilever bridges. Gray, H.S.; et al. 474
 New concept of endosteal implantation and bridge reconstruction. Viscido, A.J. 357
 Pontic hygiene and mucosal inflammation in patients with fixed dentures. Silness, J.; et al. 78
 A recording rim for functionally generated occlusal registrations. Cacciali, M.; et al. 475
 State of the art of resin-bonded bridges. Gratton, D.R.; et al. 528
 Stress at connector sites of anterior fixed prostheses. Jochen, D.G.; et al. 356
- DENTURE, PARTIAL, IMMEDIATE**
 Cast immediate partial dentures. Johnson, M.H.; et al. 582
- DENTURE, PARTIAL, REMOVABLE**
 Association of oral leukoplakia, smoking, dentures, and age. Baric, J.M.; et al. 70
 Combination plaster and rubber base impression technique for fixed and removable partial dentures. Jacobi, R. 301
 Follow-up of patients with swing-lock removable partial dentures. Gomes, B.C.; et al. 80
 Impression procedures in removable partial prosthetics. Lasoff, M. 21
 Remount casts for swinglock removable partial dentures. Kuebker, W.A. 192
 Removable partial denture design with rotational path of insertion. Jacobson, T.E.; et al. 22
 Soldering in the repair or assembly of removable partial dentures. Brudvik, J.S.; et al. 582
 Ten-year evaluation of patients with removable partial dentures. Bergman, B.; et al. 131
- DENTURE, PRECISION ATTACHMENT**
 Retention and wear of precision-type attachments. Stewart, B.L.; et al. 189
- DENTURE REBASING**
 Procedure for correcting inadequate post-palatal seal. Lauer, W.R.; et al. 243
- DENTURE RETENTION**
 Magnetic retention for overdentures. Gillings, B.R. 357
 Retention and resistance in three-quarter crowns. Kishimoto, M.; et al. 233
- DEPO-MEDROL**
 Therapeutic injection of TMJ. Agus, B.; et al. 414
- DEPTH PERCEPTION**
 Testing for stereoscopic vision. Ireland, E.J.; et al. 253
- DEQUALINUM ACETATE**
 Influence of dequalinum acetate and sodium hypochlorite on the human dentition. Zach, A.; et al. 398
- DERMATITIS HERPETIFORMIS**
 Dermatitis herpetiformis. Nisengard, R.J.; et al. 95
 Oral manifestation in linear IgA disease. Wiesenfeld, D.; et al. 297
- DERMATITIS, CONTACT**
 Contact allergy: the dentist and the patient. Jobling, A.P. 152
 The nickel problem. Blanco-Dalmau, L. 8
- DIABETES MELLITUS, JUVENILE**
 Caries and juvenile onset diabetes. Koritzer, R.T.; et al. 485
- DIAGNOSIS**
 Systemic disease in dental patients. Brady, W.F.; et al. 292
- DIAGNOSIS, DIFFERENTIAL**
 Peripheral odontogenic fibroma. Gardner, D.G. 14
- DIAGNOSTIC SERVICES**
 Survey of tissue-diagnostic services. Miller, A.S.; et al. 145
- DIAMET**
 Leakage potential of five root canal sealer cements. Mattison, G.D.; et al. 341
 Microleakage of four root canal sealer cements. Osins, B.A.; et al. 510
- DIAMET-A**
 Antimicrobial effects of endodontic filling cements. Pupo, J.; et al. 454
 Effects of filling material in tissue reactions. Holland, R.; et al. 341
- DIALYSIS**
 Dialysis for schizophrenia battling zero. 649
- DIAMONDS**
 Cleaning of diamond burs. Harkness, H.; et al. 287
- DIAZEPAM**
 Conscious-sedation in patient taking MAOI and lithium. Freilich, J.D.; et al. 508
 Dental fear and diazepam. Hall, N.; et al. 552
 Incidence of thrombophlebitis in humans with diazepam vehicle. Parkes, R.B.; et al. 381
 Midazolam as a sedative-hypnotic. McGimpsey, J.G.; et al. 604
 Sedation with intravenous diazepam. Lundgren, S.; et al. 380
- DICHLOROMETHANE**
 Organic solvents in saliva. Tomita, M.; et al. 427
- DICHLOROMETHYLENE DIPHOSPHONATE**
 Effect of dichloromethylene diphosphonate on fluoride balance. Maheshwari, U.R.; et al. 473
- DIET**
 Nutrition, diet, and preventive dentistry. Grossman, L.M. 389
- DIFLUNISAL**
 Clinical trial of diflunisal. Forbes, J.A.; et al. 158
 Diflunisal, a nonsteroidal anti-inflammatory analgesic. 45
- DISASTERS**
 Computer-aided dental identification in mass disasters. Solheim, T.; et al. 40
- DISEASE**
 Systemic disease in dental patients. Brady, W.F.; et al. 292
- DISINFECTION**
 Minimizing potential infections in dental practice. Molinari, J.A.; et al. 204
- DISPERSALLOY**
 Clinical study of high-copper alloy containing palladium. Hermes, C.B.; et al. 265
- DMF INDEX**
 Dental caries in Navy. Hyman, J.J. 512
- DNA**
 DNA analysis in prediction of malignant change. Saku, T.; et al. 466
- DOCTOR-PATIENT RELATIONS**
 Better doctor-patient communication: saying "I care". Taintor, J.F.; et al. 84
- DOWN'S SYNDROME**
 Caries experience in three genotypes of Down's syndrome. Latner, L.E. 261
 Dentistry and the handicapped child. Thornton, J.B. 360
- DRUG THERAPY**
 Chemotherapy-associated oral infections in adults. Dreizen, S.; et al. 238
- DRY ICE**
 Effects of carbon dioxide on enamel. Peters, D.D.; et al. 511
- DURAFILL FLOW**
 Polishing procedures for microfilled resins. de Wet, F.A.; et al. 377
- DURALAY**
 A restorative resin foundation material. Brady, W.F.; et al. 176
- DURAPATITE**
 Durapatite implants in intraosseous lesions. Froum, S.J.; et al. 470
- DURAPHAT**
 Enamel fluoride acquisition for topical fluoride agents. Relief, D.H.; et al. 371
 Fluoride uptake after in vivo fluoride varnish application. Grobler, S.R.; et al. 484
 Fluoride uptake by enamel for two fluoride varnishes. Seppa, L.; et al. 273
- DURELON**
 Gold foil as an apical sealing material for replantation. Goel, B.R.; et al. 397
- DYCAL**
 Acid penetration of calcium hydroxide liners. Forsten, L. 546
 Analysis of calcium hydroxide materials. de Freitas, J.F. 547
- DYSKERATOMA, WARTY**
 Papillary and verrucous lesions. Eversole, L.R.; et al. 406
- E**
- EATING BEHAVIOR** see **FEEDING BEHAVIOR**
- ECONOMIC COMPETITION**
 Competition in health care. Ginzberg, E. 501
 Competition or regulation. Pollard, M.R. 502
 Effects of competition in medicine. 501
- ECONOMICS, DENTAL**
 Competition or regulation. Pollard, M.R. 502
 Effects of competition in medicine. 501
 Projection of national dental expenditures. Gillings, D.B.; et al. 444
- EDEMA**
 Effect of indomethacin on postsurgical edema in rats. Amin, M.M.; et al. 268
- EDTA**
 Effectiveness of agents for detoxifying diseased root surfaces. Sarbinoff, J.A.; et al. 241
 Use of various agents on instrumented root surfaces. Lasho, D.J.; et al. 355
- EDUCATION, CONTINUING**
 Learning contracts in the dental office. Willis, D.O. 590
- EDUCATION, DENTAL**
 Accelerated professional training program. Gingell, J.C.; et al. 422
 Career assistance programs in dental education; students' perceptions. Garbee, W.H., Jr. 367
 Computer simulation in teaching decision making. Gaynor, H.M. 34
 Computer-assisted instruction in medical emergencies. Pryor, H.G.; et al. 255
 Direct gold in teaching and licensure. Miranda, F.J.; et al. 33
 Distributions of treatment effort in dental practice. Bader, J.D.; et al. 417
 Education within combined departments. van de Poel, A.C.; et al. 256
 Implications of the decreasing caries prevalence for dental education. Bohannon, H.M. 280
 Instruction in radiology at US dental schools. Graham, J.W.; et al. 257
 An integrated approach to dental education. Purdell-Lewis, D.J. 255
 Mirror tracing and embedded figures tests. Suddick, R.P.; et al. 366
 Modular gerontology curriculum. Teitelman, J.L.; et al. 256
 Occlusion in the dental curriculum. Esposito, C.J.; et al. 313
 Psychology in the dental curriculum. Kent, G.G. 424
 The stress of freshman year. Kobos, J.C. 89
 Tenure and dental education. Mendel, R.W.; et al. 32
 Undergraduate teaching in geriatric dentistry. Homan, B.T. 145
- Economics**
 Impact of tuition increases on students. Peterson, D.S.; et al. 88
- Trends**
 Future training requirements and job opportunities. Herzberg, M.C.; et al. 31
- EDUCATION, DENTAL, GRADUATE**
 Predictors for selection of postdoctoral dental students. Handelman, S.L.; et al. 366
 Preparing for application to advanced educational programs. Peterson, D.S.; et al. 33
 Preparing for personal interviews in admission to advanced programs. Peterson, D.S.; et al. 32
 Study of TMJ dysfunction. Grieder, A.; et al. 539
- EDUCATIONAL MEASUREMENT**
 Basic ability criterion for predicting student performance. Potter, R.H.; et al. 252
 Criterion referenced preclinical evaluation system. Carr, E.H.; et al. 313
 DAT as predictor of preclinical technique performance. Wood, W.W.; et al. 143
 Mirror tracing and embedded figures tests. Suddick, R.P.; et al. 366
 Predictors for selection of postdoctoral dental students. Handelman, S.L.; et al. 366
- EFFERDENT**
 Denture-cleaning agent efficacy. Chalichebaf, M.; et al. 132
- EHDP** see **SODIUM ETIDRONATE**

Winning fluoridation campaigns. Barrett, S. 328
- FLUORIDES**
Dentifrices containing 250 and 1,000 ppm fluoride. Koch, G.; et al. 441
Fluoride ingestion with fluoridated domestic salt. Ericsson, Y.; et al. 413
Fluoride iontophoresis for dental hypersensitivity. Jeske, A.H. 10
Fluoride-containing orthodontic cements. Sadowsky, P.L.; et al. 432
Influence of fluoride in solution on tooth demineralization. ten Cate, J.M.; et al. 428
- Administration and Dosage**
Intake patterns for fluoride tablets among Swedish children. Widenheim, J. 220
Use of preventive products in general practice. Bradnock, G.; et al. 106
- Analysis**
Fluoride concentration in human fetal enamel. Deutsch, D.; et al. 258
Plaque mineral analysis from various fluoride level areas. Grobler, S.R.; et al. 148
- Metabolism**
Effect of dichloromethylene diphosphonate on fluoride balance. Maheshwari, U.R.; et al. 473
Enamel fluoride acquisition for topical fluoride agents. Retief, D.H.; et al. 371
Fluoride uptake after in vivo fluoride varnish application. Grobler, S.R.; et al. 484
Fluoride uptake by enamel for two fluoride varnishes. Seppa, L.; et al. 273
Fluorides and dental fluorosis. Moller, I.J. 36
Penetration of fluoride and chlorhexidine in plaque. Melsen, B.; et al. 427
- Microbiology**
Effect of a fluoride varnish on *S. mutans*. Zickert, I.; et al. 320
- Pharmacodynamics**
Effect of trace elements and fluoride on caries over a ten-year period. Curzon, M.E. 384
- Therapeutic Use**
Community study of use of fluoride tablets. Allmark, C.; et al. 383
Five-year results of a fluoride rinsing program. Ripa, L.W.; et al. 324
Fluoride-exchanging resins. Rawls, H.R.; et al. 426
Fluoride and bones. 504
- FLUORIDES, TOPICAL**
Clinical effects of topical fluorides. Yankell, S.L.; et al. 161
Effect of topical fluorides on acid resistance of root dentin. Tveit, A.B.; et al. 149
Inhibiting root caries by topical applications of agents. Derand, T.; et al. 37
Toothcleaning and topical fluoride procedures. Steele, R.C.; et al. 91
- FLUOROSIS, ENDEMIC DENTAL** see MOTTLED ENAMEL
- FOLATE**
Serum levels in recurrent aphthous ulceration. Olson, J.A.; et al. 127
- FOOD**
Acidogenic potential of foods at interproximal sites. Jensen, M.E.; et al. 636
Caries-promoting properties of standard foods in laboratory rats. Navia, J.M.; et al. 638
- FOOD HABITS**
Intervals between exposure related to caries formation. Bowen, W.H.; et al. 637
Masticatory performance and food choice. Wayler, A.H.; et al. 331
- FOOD HYPERSENSITIVITY**
Food sensitivity in development of recurrent aphthous stomatitis. Wray, D.; et al. 70
- FOOTBALL**
Use of the MORA by members of a football team. Kaufman, A.; et al. 600

FOREIGN BODIES

- Aspirated and ingested foreign bodies. Schultz, H.H. 64
Foreign material as a cause of failure of treatment. Yusuf, H. 117
Retrieving objects from root canals. Roig-Greene, J.L. 566

FOREIGN MEDICAL GRADUATES

- Success rate of foreign-trained dentists taking licensure examinations. Chohayeb, A.A.; et al. 254

FORENSIC DENTISTRY

- Computer-aided dental identification in mass disasters. Solheim, T.; et al. 40
Trabecular bone patterns in dental radiographs as an aid in identification. Eastman, J.R.; et al. 39

FORMALDEHYDE

- Diffusion of C14-labeled formocresol and glutaraldehyde. Wemes, J.C.; et al. 61
Effect of formocresol and glutaraldehyde on periapical tissues. Wemes, J.C.; et al. 61

FORMIC ACID

- Assessments of experimental cavity cleaners. Mjor, I.A.; et al. 214
Production of acids in plaque with or without *S. mutans*. van der Hoeven, J.S.; et al. 320

FORMOCRESOLS

- Comparison of endodontic medications. Cartwright, J.W., Jr.; et al. 6
Diffusion of C14-labeled formocresol and glutaraldehyde. Wemes, J.C.; et al. 61
Effect of formocresol and glutaraldehyde on periapical tissues. Wemes, J.C.; et al. 61
Formocresol technique in young permanent teeth. Muniz, M.A.; et al. 511
Systemic distribution of radioactive formocresol following pulpotomies in dogs. Block, R.M.; et al. 598

FRACTURES

- Fluoride and bones. 504
Tracheostomy in management of facial fracture. Zachariades, N.; et al. 462

FREEZE DRYING

- Evaluation of decalcified freeze-dried bone allografts. Quintero, G.; et al. 472
Freeze-dried bone allografts with and without autogenous bone grafts. Sanders, J.J.; et al. 242
Healing of allogeneic hypophyzed bone grafts. Frost, D.E.; et al. 263

FREEZING

- Pulpal effect of freezing temperatures. Dowden, W.E.; et al. 341

FRICTION-LOCK

- Microleakage of pin-retaining devices. Hembree, J.H., Jr. 154

FRUITS

- Effects of suspected foodstuffs in the etiology of recurrent aphthous stomatitis. Eversole, L.R.; et al. 69

FUSION

- Evaluation of porcelain repair materials. Ferrando, J.-M.; et al. 544

G

GASOLINE

- Ask the Shell cancer man. 649

GENERAL PRACTICE, DENTAL

- Factors influencing innovation in general practice. Sarfil, D.W.; et al. 198

GERIATRIC DENTISTRY

- The elderly patient. Lowenthal, U.; et al. 245
Our aging society. Clarke, C.L. 531
The physician's assistant in gerodontology. Tideiksaar, R. 502
Practices, extent, and contact of dentists with elderly patients. Kiyak, H.A.; et al. 104
Preventive dentistry for the elderly. Mandel, I.D. 532
Some considerations in treating the elderly and handicapped. Schuman, N.J. 81
Use of dental services by Norwegian elderly. Rise, J.; et al. 87

Education

- Modular gerontology curriculum. Teitelman, J.L.; et al. 256
Preventive dentistry for the elderly. Konigsberg, I. 540
Undergraduate teaching in geriatric dentistry. Hoeman, B.T. 145

GINGIVA

- Attached gingiva in the maintenance of periodontal health. Wennstrom, J.; et al. 354
Plaque and gingival health surrounding stainless steel crowns. Durr, D.P.; et al. 73
Plaque removal and gingival response to waxed and unwaxed dental floss. Lamberts, D.M.; et al. 108

Anatomy and Histology

- Lymphatic and blood vessels in gingiva of elderly. Bernick, S.; et al. 316

Cytology

- Regeneration of junctional epithelium in rats. Yamada, S.; et al. 374

Drug Effects

- Control of phenytoin-induced gingival overgrowth. Steinberg, S.C.; et al. 82

Injuries

- Self-inflicted gingival injuries. Pattison, G.L. 470

Mittibulism

- Association between plaque and gingival Langerhans cells. Mewcomb, G.M.; et al. 94

Surgery

- Effect of submerging roots with periodontal defects. Evian, C.I.; et al. 409
Proposed technique for coverage of localized gingival recession. Carvalho, J.C.; et al. 187
Short clinical crown with inadequate keratinized gingiva. Saadoun, A.P.; et al. 399

Transplantation

- Clinical evaluation of free autogenous gingival grafts. Dorman, H.S.; et al. 76

GINGIVAL DISEASES

Complications

- Changes on root surfaces with periodontal disease. Eide, B.; et al. 487

Mittibulism

- Gingival overgrowth and phenytoin sensitivity of fibroblasts. Hassel, T.M.; et al. 603

Occurrence

- Dental emergencies in Army recruits. Grover, P.S.; et al. 262

Pathology

- Marginal tissue recession in general dental practice. Wilson, R.D. 354

Prevention and Control

- Crevice fluid flow, gingival bleeding with use of waxed and unwaxed dental floss. Wunderlich, R.C.; et al. 109

Surgery

- Clinical evaluation of free autogenous gingival grafts. Dorman, H.S.; et al. 76
Proposed technique for coverage of localized gingival recession. Carvalho, J.C.; et al. 187
Vitamin E and healing of gingival wounds in rats. Kim, J.E.; et al. 549

Therapy

- Longitudinal study of isolated mandibular anterior gingival recession in children. Powell, R.N.; et al. 130
Treatment of acute periodontal lesions. Kon, S.; et al. 627

GINGIVAL HEMORRHAGE

- Crevice fluid flow, gingival bleeding with use of waxed and unwaxed dental floss. Wunderlich, R.C.; et al. 109

- Gingival bleeding after use of chlorhexidine mouthrinses. Airzmo, J.; et al. 46

- Pontic hygiene and mucosal inflammation in patients with fixed dentures. Silness, J.; et al. 78

GINGIVAL HYPERPLASIA

- Control of phenytoin-induced gingival overgrowth. Steinberg, S.C.; et al. 82

- Effects of carbamazepine or phenytoin on the oral state. Lundstrom, A.; et al. 215

- Gingival enlargement subsequent to treatment with cyclosporin-A. Rateitschak-Pluss, E.M.; et al. 523

- Skeletal and dental growth in epileptic children. Robinson, P.B.; et al. 305

GINGIVAL NEOPLASMS

- Malignant gingival and skin "infiltrates" in adult leukemia. Dreizen, S.; et al. 404

GINGIVAL POCKET

- Probe tip location in pockets with minimal gingival inflammation. van der Velden, U. 185

GINGIVITIS

Chemically Induced

- Immunosuppression and periodontitis in man. Tolleson, T.; et al. 94

Diagnosis

- Probe tip location in pockets with minimal gingival inflammation. van der Velden, U. 185

Drug Therapy

- Clinical effects of topical fluorides. Yankell, S.L.; et al. 161

Etiology

- Gingival inflammation and full crown restorations. Koth, D.L. 175

- Pontic hygiene and mucosal inflammation in patients with fixed dentures. Silness, J.; et al. 78

- Smoking and acute ulcerative gingivitis. Kowolik, M.J.; et al. 408

Immunology

- Rheumatoid factor in periodontal disease. Garguilo, A.V., Jr.; et al. 151

Occurrence

- Gingivitis in 5- and 6-year-old children. Spencer, A.J.; et al. 239

Prevention and Control

- Clinical evaluation of free autogenous gingival grafts. Dorman, H.S.; et al. 76

- Poststudy effects of a plaque control program. Ashley, F.P.; et al. 220

- Results of two-year plaque control program. Zickert, I.; et al. 218

Therapy

- Longitudinal study of isolated mandibular anterior gingival recession in children. Powell, R.N.; et al. 130

- Plaque-induced gingival inflammation in the absence of attached gingiva. Wennstrom, J.; et al. 528

- Principles governing periodontal treatment. Loe, H. 578

- GINGIVITIS, NECROTIZING ULCERATIVE

- Treatment of acute periodontal lesions. Kon, S.; et al. 627

GINGIVOPLASTY

- Clinical evaluation of free autogenous gingival grafts. Dorman, H.S.; et al. 76

GLASS IONOMER CEMENTS

- Cast gold crowns with glass ionomer cement. Kawamura, R.M.; et al. 640

- Effect of cement base thicknesses on MOD amalgam restorations. Farah, J.W.; et al. 400

- Marginal adaptation of glass-ionomer cements. Fuks, A.B.; et al. 233

- Properties of silicate and glass ionomer cements. Brune, D.; et al. 432

GLOVES, SURGICAL

- Dentists' use of operating gloves. Mitchell, R.; et al. 588

GLUCANS

- Prevention of caries by insoluble glucan component of plaque. Simonson, L.G.; et al. 373

GLUTARALDEHYDE

- Diffusion of C14-labeled formocresol and glutaraldehyde. Wemes, J.C.; et al. 61

- Effect of formocresol and glutaraldehyde on periapical tissues. Wemes, J.C.; et al. 61

GLY-OXIDE

- Evaluation of irrigants in elimination of *B. melanogenicus*. Foley, D.B.; et al. 548

- GLYCOGEN STORAGE DISEASE see GLYCOGENOSIS

GLYCOGENOSIS

- Intraoral nighttime feeding attachment for patients with glycogen storage disease. LaVelle, W.E.; et al. 359

GLYCOLYSIS

- Inhibition of the glycolysis of oral bacteria. Vadeboncoeur, C.; et al. 98

GOLD

- Direct gold in teaching and licensure. Miranda, F.J.; et al. 33

- Gold foil as an apical sealing material for replantation. Goel, B.R.; et al. 397

- Gold rings permanently fix artificial body parts. Zahn, L.S. 412

- In vitro plaque formation on dental materials. Dummer, P.M.; et al. 158

GOLD ALLOYS

- Cast gold crowns with glass ionomer cement. Kawamura, R.M.; et al. 640

- Properties of low-gold fixed prosthodontic alloys. Huget, E.F.; et al. 154

GRAMICIDIN D

- Inhibition of the glycolysis of oral bacteria. Vadeboncoeur, C.; et al. 98

GRAMICIDIN S

- Inhibition of the glycolysis of oral bacteria. Vadeboncoeur, C.; et al. 98

- GRANULOMA, GIANT CELL

- Peripheral odontogenic fibroma. Gardner, D.G. 14

GRISOEULVIN

- Griseofulvin in treatment of oral erosive lichen planus. Aufdemorte, T.B.; et al. 436

GROSSMAN SEALER

- Effects of filling material in tissue reactions. Holland, R.; et al. 341

GROUP PROCESSES

- Group decision making to facilitate innovation. Goral, V. 310

GROWTH

- Pubertal growth spurt and maturational indicators. Hagg, U.; et al. 128

GROWTH SUBSTANCES

- Human skeletal growth factor isolated. 336

GUTTA-PERCHA

- Effect of bacterial leakage on dental pulp. Bergenholz, G.; et al. 265

- Effect of post space preparation on apical seal. Dickey, D.J.; et al. 5

- Evaluation of leakage in lateral condensation and McSpadden methods. Chaisriookumporn, S.; et al. 118

IRRIGATION

- Effectiveness of four clinical irrigation methods. Abou-Rass, M.; et al. 62
Periodontal destruction caused by improper use of a water-irrigating device. Winter, A.A. 186
Treatment of jaw cysts with an irrigation method. Suzuki, M. 123

ISOCAP

- Clinical three-year comparison of microfilled and conventional composite restorations. Christensen, R.P.; et al. 118

ISOPAST

- Chip fractures of conventional and microfilled composite resins. Lambrechts, P.; et al. 211
Clinical performance of composite resins. Loeys, K.; et al. 118
Dimensional change of composites in dry and wet conditions. Hirasawa, T.; et al. 378
Effects of brushing on five composite resins. Kanter, J.; et al. 97
Polishing procedures for microfilled resins. de Wet, F.A.; et al. 377

ISOPROPYL ALCOHOL

- Organic solvents in saliva. Tomita, M.; et al. 427

ISOPROTERENOL

- Amylase activity in various tissues in rats. Ikeno, T.; et al. 323

JAW see also DENTAL ARCH

- Demineralized bone implants in treating jaw defects. Kaban, L.B.; et al. 11
Jaw movements in TMJ click. Sigaroudi, K.; et al. 586
Jaw muscle activity and facial morphology in complete denture wearers. Tallgren, A.; et al. 437
Patterns of activity change in orthognathic surgery patients. Lam, T.; et al. 297

JAW CYSTS

- Radiographic artifacts caused by retained contrast medium. Arnott, D.G. 584
Treatment of jaw cysts with an irrigation method. Suzuki, M. 123

JAW DISEASES

- Alveolar bone necrosis and tooth loss associated with herpes zoster infection. Wright, W.E.; et al. 465
Autosomal dominant cemental dysplasia. Sedano, H.O. 182
Demineralized bone implants in treating jaw defects. Kaban, L.B.; et al. 11
Freeze-dried bone allografts with and without autogenous bone grafts. Sanders, J.J.; et al. 242
Treatment of intrabony periodontal defects. Pritchard, J.F. 242

JAW, EDENTULOUS

- Autogenous bone grafts for atrophic edentulous patients. Curtis, T.A.; et al. 235

JAW, EDENTULOUS, PARTIALLY

- Classification of partial edentulousness. Bier-Katz, G. 129
Treatment of lost vertical dimension. Boksmann, L. 625

JAW NEOPLASMS

- Primary intraosseous carcinoma of the jaws. Elzay, R.P. 67

JAW RELATION RECORD

- Clinical study in the registration of the retruded contact position. Forsell, H. 7
Self-perception of jaw positions. Van Willigen, J.D.; et al. 322

JOB APPLICATION

- Suggestions for auxiliaries in approaching the job market. Caplan, C.M. 537

JOINT PROSTHESIS

- Ten-year report of TMJ condylar prosthesis. Kent, J.N.; et al. 361

JURISPRUDENCE

- Legal considerations in dentofacial trauma. Crozier, L.J. 112

K**KALSOGEN**

- Gold foil as an apical sealing material for replantation. Goel, B.R.; et al. 397

KENYA

- Kenyan Middle Miocene higher primates. Pickford, M. 148; (Comment) Koritzer, R.T. 149

KERATOACANTHOMA

- Papillary and verrucous lesions. Eversole, L.R.; et al. 406

KERATOSIS

- Papillary and verrucous lesions. Eversole, L.R.; et al. 406

KERR SEALER

- Microleakage of four root canal sealer cements. Osins, B.A.; et al. 510

KETAMINE

- Reducing ketamine-induced emergence phenomena. Geist, E.T.; et al. 101

KIDNEY

- Gingival enlargement subsequent to treatment with cyclosporin-A. Rateischak-Pluss, E.M.; et al. 523

KIDNEY FAILURE, CHRONIC

- Dental abnormalities in children with renal failure. Woodhead, J.C.; et al. 291

- Nonulcerative uremic stomatitis. Kellett, M. 575

KIDNEY NEOPLASMS

- Ask the Shell cancer man. 649

L**LACTIC ACID**

- Production of acids in plaque with or without *S mutans*. van der Hoeven, J.S.; et al. 320

LACTOBACILLUS

- Decreasing levels of *S mutans*, lactobacilli in selected mothers. Kohler, B.; et al. 48
Effect of penicillin on oral bacteria in hamsters and man. Maltz, M.; et al. 97

LANGERHANS CELLS

- Association between plaque and gingival Langerhans cells. Mewcomb, G.M.; et al. 94

LATERALITY

- Inferior alveolar injection technique for left-handed dentist. Carter, D.B.; et al. 65

LAURYL ALCOHOL

- Influence of alcohols on growth of oral bacteria. Crout, R.J.; et al. 213

LEE MICROFILL

- Polishing procedures for microfilled resins. de Wet, F.A.; et al. 377

LEGISLATION

- Professional misconduct. Wood, W.L., Jr. 275

LEUKEMIA

- Dental care of the patient with cancer. Peterson, D.E. 414

- Orofacial manifestations of childhood malignancy. Scully, C.; et al. 350

- Malignant gingival and skin "infiltrates" in adult leukemia. Dreizen, S.; et al. 404

LEUKEMIA, MONOCYTIC

- Malignant gingival and skin "infiltrates" in adult leukemia. Dreizen, S.; et al. 404

LEUKOCYTES

- Migration of leukocytes in pulp in response to bacteria. Bergenholz, G.; et al. 207

LEUKOPLAKIA

- Papillary and verrucous lesions. Eversole, L.R.; et al. 406

LEUKOPLAKIA, ORAL

- Association of oral leukoplakia, smoking, dentures, and age. Baric, J.M.; et al. 70

LEVAMISOLE

- Treatment of pemphigus vulgaris with levamisole and prednisone. Lozada, F.; et al. 17

LICENSURE, DENTAL

- Direct gold in teaching and licensure. Miranda, F.J.; et al. 33

- On state boards of dentistry. Binder, H.B. 332; (Comment) Loveland, L.W. 333

- Success rate of foreign-trained dentists taking licensure examinations. Chohayeb, A.A.; et al. 254

LICHEN PLANUS

- Blood group antigens in lichen planus lesions. Thomopoulos-Doukoudakis, A.; et al. 237

Complications

- Dysplastic/carcinomatous transformation of lichen planus. Kaugars, G.E.; et al. 125

- Salivary function in oral lichen planus. Lundstrom, I.M.; et al. 236

Drug Therapy

- Griseofulvin in treatment of oral erosive lichen planus. Aufdemorte, T.B.; et al. 436

Immunology

- Immunoglobulins, complement in oral lichen planus. Sklavounou, A.D.; et al. 264

Pathology

- Labeling patterns in oral lichen planus. Hyman, G.A.; et al. 41

LIDOCAINE

Comparison of intravenous, laryngotracheal lidocaine. Kraut, R.A. 454

LIFE CAVITY LINING

Acid penetration of calcium hydroxide liners. Forsten, L. 546
Analysis of calcium hydroxide materials. de Freitas, J.F. 547

LIGHT

Depth of cure for visible light-activated composite resins. Newman, S.M.; et al. 514

LIGHTING

Lighting your world. Neubert, R.; et al. 249

LINEAR IGA DISEASE see DERMATITIS HERPETIFORMIS

LINOENYL ALCOHOL

Influence of alcohols on growth of oral bacteria. Crout, R.J.; et al. 213

LINOENYL ALCOHOL

Influence of alcohols on growth of oral bacteria. Crout, R.J.; et al. 213

LIP

Aging and oral motor function. Baum, B.J.; et al. 321
Self-inflicted trauma to the lower lip. Turley, P.K.; et al. 409

LIPIDS

Lipid composition of human saliva. Slomiany, B.L.; et al. 317
Lipids of human saliva. Slomiany, B.L.; et al. 317

LITHIUM

Lithium in saliva and caries. Agus, H.M.; et al. 427

LITHIUM CARBONATE

Conscious-sedation in patient taking MAOI and lithium. Freilich, J.D.; et al. 508

LONGEVITY

Nutrition and longevity. Morrison, S.D. 643

LONGITUDINAL STUDIES

Five-year evaluation of patients with overdentures. Toolson, L.B.; et al. 474
Seven-year follow-up of patients treated for TMJ pain-dysfunction. Meijersjö, C.; et al. 476

LYMPHOMA

Chemotherapy-associated oral infections in adults. Dreizen, S.; et al. 238
Lymphomas of the oral cavity linked to asbestos exposure. Ross, R.; et al. 181
Orofacial manifestations of childhood malignancy. Scully, C.; et al. 350

LYSOZYME see MURAMIDASE

M

MAGNETICS

Magnetic retention for overdentures. Gillings, B.R. 357

MAISTO ANTISEPTIC PASTE

Effects of filling material in tissue reactions. Holland, R.; et al. 341

MALOCCLUSION

Children's perceptions of their own malocclusions. Lindsay, S.J.; et al. 353
Dental crowding and tooth size and arch dimension. Howe, R.P.; et al. 467
Effects of presurgical oral orthopedics in cleft patients. Peat, J.H. 18
Measurement of attitudes toward malocclusion. Fox, R.N.; et al. 72

MALOCCLUSION, ANGLE CLASS I

Frankel appliance therapy. Creekmore, T.D.; et al. 298

MALOCCLUSION, ANGLE CLASS II

Frankel appliance therapy. Creekmore, T.D.; et al. 298

MALPRACTICE

Defense of dental malpractice suits. Rosen, M.L. 447
The responsibility for treating periodontal disease. Listgarten, M.A. 614
Scientific malpractice. Altman, L.K.; et al. 614
Your record as an asset. Riesner, N.R.; et al. 330

MANDIBLE

Abnormalities

Mandibular abnormalities in neurofibromatosis. Vincent, S.D.; et al. 294

Anatomy and Histology

Observations of mylohyoid canal. Serman, N.J.; et al. 425

Trabecular bone patterns in dental radiographs as an aid in identification. Eastman, J.R.; et al. 39

Growth and Development

Mandibular growth in development and evolution. Hall, B.K. 92

Microbiology

Bacteriologic findings in patients with diffuse sclerosing osteomyelitis of the mandible. Jacobsson, S.; et al. 267

Pathology

Perforation of lingual bone plate. Rud, J. 634

Physiopathology

Recurrent headache and mandibular dysfunction. Magnusson, T. 189

Radiography

Longitudinal study of bone loss of furcated molars. Bjorn, A.-L.; et al. 130

Surgery

Autogenous bone grafts for atrophic edentulous patients. Curtis, T.A.; et al. 235
Follow-up after vestibuloplasty with skin grafting. Landesman, H.M.; et al. 347
Mandibular vestibulolingual sulcoplasty. Adawy, A.M.; et al. 347
A new site for mandibular osteotomy. McGregor, I.A.; et al. 521
Simultaneous mobilization of maxilla and mandible. LeBanc, J.P.; et al. 178
Soft tissue changes in surgically treated patients with bimaxillary protrusion. Dewan, S.K.; et al. 349
Use of lyophilized bone grafts in Hofer's osteotomy. Jouve, S.L. 570

MANDIBULAR CONDYLE

Correlation of condylar mobility and arthrotomography. Katzberg, R.W.; et al. 236
Open reduction of mandibular condyle fractures. Zide, M.F.; et al. 349
Radiographic bilateral condylar remodeling. Nickerson, J.W., Jr.; et al. 402
Ten-year report of TMJ condylar prosthesis. Kent, J.N.; et al. 361

MANDIBULAR DISEASES

Immunological features in patients with mandibular osteomyelitis. Malmstrom, M.; et al. 430
Occlusal adjustment in residual or recurrent mandibular dysfunction. Magnusson, T.; et al. 342
Therapeutic trials with hyperbaric oxygen in mandibular osteomyelitis. Triplett, R.G.; et al. 38

MANDIBULAR FRACTURES

Analysis of 327 mandibular fractures. Chuong, R.; et al. 461
Open reduction of mandibular condyle fractures. Zide, M.F.; et al. 349

MANDIBULAR NEOPLASMS

Mandibular abnormalities in neurofibromatosis. Vincent, S.D.; et al. 294
Reconstruction of mandibular defects after tumor resection. Raveh, Y.; et al. 290

MANDIBULAR NERVE

Experimental grafting of the inferior alveolar nerve. Yamazaki, Y.; et al. 368

MARKETING OF HEALTH SERVICES

Developing a marketing plan. Perich, P. 202
Marketing and medicine. Wright, R.A.; et al. 536
Perceptions of an advertising dental enterprise. Waldman, H.B. 83
Recall system—a basic marketing technique. Cross, G.P. 309

MASSACHUSETTS

Hospital ambulatory dental programs in Massachusetts. Siegal, M.D.; et al. 418

MASSETER MUSCLE

Effect of muscle fatigue on masseteric silent period. Dale, R.A.; et al. 322

MASTICATION

Aging and oral motor function. Baum, B.J.; et al. 321
Management of tongue-chewing phenomena. Ellenbein, L. 306
Masticatory efficiency of patients with dentures. Gunne, H.S.; et al. 191
Masticatory performance and food choice. Wayler, A.H.; et al. 331

MASTICATORY MUSCLES

Chart to aid diagnosis of myospasm and TMJ capsule. Frumker, S.C. 295
Digastric muscle reflex responses. Hellsing, G.; et al. 215
Jaw muscle activity and facial morphology in complete denture wearers. Tallgren, A.; et al. 437
Recurrent headache and mandibular dysfunction. Magnusson, T. 189
Use of biofeedback to obtain jaw-muscle relaxation. Yemm, R. 425

MAXILLA

Blood flow investigation design of LeFort III osteotomy. Wittenburg, G.J.; et al. 482
Muscle reorientation after repositioning of the maxilla. Schendel, S.A.; et al. 349
Simultaneous mobilization of maxilla and mandible. LeBanc, J.P.; et al. 178
Soft tissue changes in surgically treated patients with bimaxillary protrusion. Dewan, S.K.; et al. 349
Use of bone plates for maxillary stabilization. Frost, D.E.; et al. 570

MAXILLARY ARTERY

Control of hemorrhage from the maxillary artery. Rosenberg, I.; et al. 146

MAXILLOFACIAL DEVELOPMENT

Craniofacial morphology in infants with clefts. Dahl, E.; et al. 318
Growth in different cleft types from 1 month to 10 years. Krogman, W.M.; et al. 92
Longitudinal changes in the maxilla and maxillary-mandibular relationship. Jamison, J.E.; et al. 71
Soft tissue changes in surgically treated patients with bimaxillary protrusion. Dewan, S.K.; et al. 349

MAXILLOFACIAL INJURIES

Facial injuries in automobile crashes. Huefke, D.F.; et al. 401
Injuries after motorcycle accidents. Cannell, H.; et al. 179
Tracheostomy in management of facial fracture. Zachariades, N.; et al. 462
MAXILLOFACIAL PROSTHESIS
Reconstruction of mandibular defects after tumor resection. Raveh, Y.; et al. 290
Success of restorations in maxillofacial prosthodontics. Lowenthal, U.; et al. 79

MEDIASTINAL EMPHYSEMA

New cause for pneumomediastinum. LiPuma, J.P.; et al. 336

MEDICAL HISTORY TAKING

Knowing your patient: the medical history. Menell, H.B.; et al. 137
Medical conditions of patients in general, specialty, and hospital practices. Sonis, S.T.; et al. 248
Preparation of narrative medical reports. Hannah, L.M. 419
Systemic disease in dental patients. Brady, W.F.; et al. 292
Taking a history of head or facial pain. Blau, J.N. 291

MENOPAUSE

Serves you right. 648

MENTAL RETARDATION

Control of phenytoin-induced gingival overgrowth. Steinberg, S.C.; et al. 82
Costs of providing dental services to mentally retarded adults. Gotowka, T.D.; et al. 419

MERCURY

Exhaled mercury after removal and insertion of amalgams. Reinhardt, J.W.; et al. 388
Mercury vaporization during amalgam removal. Reinhardt, J.W.; et al. 646
Survey of mercury vapor concentrations in offices. Chopp, G.F.; et al. 497

Adverse Effects

Mercury leakage from disposable capsules. Wilson, S.J.; et al. 111
Mercury pollution through waste water. Yamanaka, S.; et al. 111

Analysis

Prevalence of metallic components in saliva. Nilner, K.; et al. 105

Therapeutic Use

Review of status of mercury used in dentistry. Avery, K.T.; et al. 43

MERSENE

Denture-cleaning agent efficacy. Ghalichebaf, M.; et al. 132

METHOHEXITAL

Conscious-sedation in patient taking MAOI and lithium. Freilich, J.D.; et al. 508

METOCLOPRAMIDE

Drug-induced muscle spasm. Cope, M.R. 605

METRONIDAZOLE

Metronidazole and periodontal disease. Lindhe, J.; et al. 433

MEZLOCILIN

New broad-spectrum penicillins. Eliopoulos, G.M.; et al. 215

MFP see SODIUM MONOFLUOROPHOSPHATE

MICONAZOLE

Topical miconazole in the treatment of denture stomatitis. Watson, C.J.; et al. 100

An integrated approach to dental education. Purdell-Lewis, D.J. 255

NEUROFIBROMATOSIS

- Mandibular abnormalities in neurofibromatosis. Vincent, S.D.; et al. 294

NEUTROPHILS

- Bacterial inhibition of neutrophil chemotaxis. Van Dyke, T.E.; et al. 156

NEVUS

- Papillary and verrucous lesions. Eversole, L.R.; et al. 406

NEW ZEALAND

- The declining prevalence of caries in New Zealand. Brown, R.H. 270
Periodontal disease in New Zealand. Croxson, L.J.; et al. 456
Survey of New Zealand dental practice. Hunter, P.B.; et al. 28
Use of preschool dental services in New Zealand. Beutrais, A.L.; et al. 251

NEYCAST

- Properties of low-gold fixed prosthodontic alloys. Huget, E.F.; et al. 154

NICKEL

- The nickel problem. Blanco-Dalmay, L. 8

NIFLUMIC ACID

- Effect of medications after third molar removal. van der Zwan, J.; et al. 437

NITROUS OXIDE

- Controlling contamination with anesthetic gas. Littner, M.M.; et al. 452
Evacuation of nitrous oxide from the dental operator. Carlsson, P.; et al. 602
New cause for pneumomediastinum. LiPuma, J.P.; et al. 336
Nitrous oxide cryosurgery for intraoral hemangiomas. Gongloff, R.K. 522

NIOGENOL

Leakage potential of five root canal sealer cements. Mattison, G.D.; et al. 341

NIDMENCIAURE

Glossary of holistic therapy. 643

NORWAY

The declining prevalence of caries in Norway. von der Fehr, F.R. 271

NUBOND

Microleakage of pin-retaining devices. Hembree, J.H., Jr. 154

NURSING HOMES

Oral health of nursing home residents. Empey, G.; et al. 244

NUTRITION

Assessing nutritional status. Solomons, N.W.; et al. 498

Cereal availability and dental caries. Sreebny, L.M. 492

Food for thought. 648

Nutrition and health quackery. Easley, M.W.; et al. 646

Nutrition and longevity. Morrison, S.D. 643

Nutrition and pregnancy. 645

Nutrition and the elderly. Duthie, E.; et al. 644

Nutrition, diet, and preventive dentistry. Grossman, L.M. 389

Nutritional demands imposed by stress. 329

Nutritional factors and blood pressure control. Callaway, C.W. 447

Nutritional intake and caries formation. Grossman, L.M. 560

Nutritional status of healthy elderly population. 644

Nutritional supplementation. Watson, M.L.; et al. 49

Nutritional supplementation. Lee, M.B. 276

Relation of dental status, dietary intake in the elderly. Osterberg, T.; et al. 276

NUTS

Effects of suspected foodstuffs in the etiology of recurrent aphthous stomatitis. Eversole, L.R.; et al. 69

NUVA-SEAL

Histologic study of sealant microleakage. Hicks, M.J.; et al. 319

O

OBESITY

Fat chance. 392

OCCUPATIONAL DISEASES

Measures for controlling infections. Littner, M.M.; et al. 362

Occupational health problems of dentists, dental assistants. Murtomaa, H. 85

Primary herpes simplex in a dentist. Watkinson, A.C. 165

Stress and strain in the dental profession. Littner, M.M.; et al. 110

Stress and your work. Swogger, G., Jr. 610

OCCUPATIONAL MEDICINE

Sick leave and TMJ dysfunction in industrial workers. Alanen, P.; et al. 246

OCTENIDINE

Clinical trial of octenidine mouthrinse. Patters, M.R.; et al. 493

ODONTOGENIC TUMORS

Hyaline deposits in odontogenic lesions. Sapp, J.P.; et al. 263

Peripheral odontogenic fibroma. Gardner, D.G. 14

Primary intraosseous carcinoma of the jaws. Elzay, R.P. 67

ONLAYS see INLAYS

ORAL HEALTH

Assessing health status with dental health questionnaire. Taybos, G.H.; et al. 479

Dental and periodontal status of overtire denture abutments. Renner, R.P.; et al. 132

Dental health status of US Army recruits. Grover, P.S.; et al. 275

The dental profession and the global goals. Sundberg, H. 612

Dentistry and public's health. Ting, G.K. 89

Differences affecting oral health attitudes in the elderly. Kiyak, H.A.; et al. 141

Improvements in dental health of 3-year-old children after 8 years. Silver, D.H. 107

Oral health and dental attitudes among university students. Cohen, L.; et al. 442

Oral health goals for the year 2000. Aggerdy, T. 610

Oral health goals in developing nations. Barnes, D.E. 611

Oral health goals in the industrialized countries. Greene, J.C. 611

Oral health of nursing home residents. Empey, G.; et al. 244

Plaque and gingival health surrounding stainless steel crowns. Durr, D.P.; et al. 73

Relation of dental status, dietary intake in the elderly. Osterberg, T.; et al. 276

ORAL HYGIENE

Association of caries with oral hygiene, sugar consumption. Kleemola-Kujala, E.; et al. 220

Benefits of orthodontic treatment on oral hygiene. Feliu, J.L. 384

Dental health practices of Norwegian adults. Heloe, L.A.; et al. 221

Denture home care. Tarbet, W.J. 131

Effects of oral hygiene on periodontal surgery. van Dijk, L.J.; et al. 486

Effects of stannous fluoride mouthrinses in the absence of oral hygiene. Yankell, S.L.; et al. 108

Oral hygiene for children. Leatherman, G.H. 168

Oral hygiene for the total care patient. Napierski, G.E.; et al. 135

Pontic hygiene and mucosal inflammation in patients with fixed dentures. Silness, J.; et al. 78

Ten-year evaluation of patients with removable partial dentures. Bergman, B.; et al. 131

Tissue massage for the edentulous patient. Tautin, F.S. 191

OROANTRAL FISTULA

Closure of antrum perforations. Skoglund, L.A.; et al. 402

Immediate closure of oro-antral communications with collagen implant. Mitchell, R.; et al. 401

ORTHODONTIC APPLIANCES

Appliance for space maintenance and molar guidance. Psaltis, G.L.; et al. 183

Begg orthodontic treatment. Whitehill-Grayson, I.T. 575

Bracket placement and bond strength in two techniques. Aguirre, M.J.; et al. 127

Effects of recycling on direct-bonding brackets. Mascia, V.E.; et al. 73

Forces of maxillary lingual arch expansion appliances. Thomas, G.G.; et al. 128

Improvements in bracket base design. Smith, D.C.; et al. 468

Strength of recycled stainless steel brackets. Wheeler, J.J.; et al. 408

ORTHODONTIC APPLIANCES, REMOVABLE

Effects of mandibular position. Burkett, L.N.; et al. 477

Frankel appliance therapy. Creekmore, T.D.; et al. 298

Proximal caries increment with orthodontic treatment with removable appliances. Bjerklin, K.; et al. 352

ORTHODONTIC WIRES

Mechanical properties of orthodontic wires. Drake, S.R.; et al. 155

ORTHODONTICS

Need and demand for adult orthodontics in Sweden. Mohlin, B. 330

Orthodontic bonding techniques in general practice. Gorelick, L.; et al. 517

ORTHODONTICS, CORRECTIVE

Begg orthodontic treatment. Whitehill-Grayson, I.T. 575

Benefits of orthodontic treatment on oral hygiene. Feliu, J.L. 384

Bond failure rates of facial, lingual attachments. Geiger, A.M.; et al. 408

Changes in orthodontic treatment relationships. Sadowsky, C.; et al. 292

Forces of maxillary lingual arch expansion appliances. Thomas, G.G.; et al. 128

Intrapulpal axon response to orthodontic movement. Bunker, M.; et al. 90

ORTHODONTICS, PREVENTIVE

Effects of presurgical oral orthopedics in cleft patients. Peat, J.H. 18

OSTEOARTHRITIS

Diffunial, a nonsteroidal anti-inflammatory analgesic. 45

OSTEOGENESIS IMPERFECTA

Child abuse? Wright, J.T.; et al. 573

OSTEOLYSIS

Osteolytic lesions in ancient South Dakota skulls. Gregg, J.B.; et al. 147; (Comment) Koritzer, R.T. 147

OSTEOMYELITIS

Bacteriologic findings in patients with diffuse sclerosing osteomyelitis of the mandible. Jacobsson, S.; et al. 267

Immunological features in patients with mandibular osteomyelitis. Malmstrom, M.; et al. 430

Therapeutic trials with hyperbaric oxygen in mandibular osteomyelitis. Triplett, R.G.; et al. 38

OSTEORADIONECROSIS

Actinomyces israelii in osteoradionecrosis. Happonen, R.-P.; et al. 464

New concept of pathophysiology of osteoradionecrosis. Marx, R.E. 463

OSTEOTOMY

Blood flow investigation design of Lefort III osteotomy. Wittenburg, G.J.; et al. 482

Healing of allogeneic lyophilized bone grafts. Frost, D.E.; et al. 263

Muscle reorientation after repositioning of the maxilla. Schendel, S.A.; et al. 349

A new site for mandibular osteotomy. McGregor, I.A.; et al. 521

Results in intraoral vertical ramus osteotomy. Greebe, R.B.; et al. 12

Simultaneous mobilization of maxilla and mandible. LeBanc, J.P.; et al. 178

Use of lyophilized bone grafts in Hofer's osteotomy. Jaw, S.L. 570

OXYGEN

Transcutaneous oxygen monitoring. Kraut, R.A. 172

OXYPHENYLBUTAZONE

Effect of medications after third molar removal. van der Zwan, J.; et al. 437

P

PAIN

Incidence of postoperative pain after one-appointment endodontic treatment. Mulhern, J.M.; et al. 6

Diagnosis

Measuring pain associated with hypersensitive dentin. Thrash, W.J.; et al. 380

Drug Therapy

Analgesics for pain relief. Whall, C.W., Jr. 45

Diffunial, a nonsteroidal anti-inflammatory analgesic. 45

Therapy

Managing oral pain: inhibiting substance P. Goodale, D.B. 99

Pain perception and patient management. Woolgrove, J. 434

PAIN, POSTOPERATIVE

Acetaminophen in reducing pain after periodontal surgery. Seymour, R.A. 604

Pain after single- and multiple-visit endodontics. Roane, J.B.; et al. 230

Postoperative pain after endosonic, conventional root canal therapy. Martin, H.; et al. 62

PALATAL OBTURATORS

Pharyngeal wall motion in cleft palate adults wearing prosthetic speech appliances. Beery, Q.C.; et al. 359

PALATE

Functional contouring of the denture palatal vault. Goyal, B.K.; et al. 188

Intraoral split-skin grafting: long-term results. Freedlander, E.; et al. 179

Procedure for correcting inadequate post-palatal seal. Lauer, W.R.; et al. 243

Short clinical crown with inadequate keratinized gingiva. Saadoun, A.P.; et al. 399

PALEODONTOLOGY

Kenyan Middle Miocene higher primates. Pickford, M. 148; (Comment) Koritzer, R.T. 149

PALEONTOLOGY

All ashore. 649

PALLADIUM

Clinical study of high-copper alloy containing palladium. Hermes, C.B.; et al. 265

Properties and casting characteristics of silver-palladium alloy. Myers, G.W.; et al. 318

PAPILLOMA

Papillary and verrucous lesions. Eversole, L.R.; et al. 406

PAPILLOMAVIRUSES

Papillomavirus and oral lesions. Syrjanen, K.J.; et al. 550

PARACHLOROPHENOL

Comparison of endodontic medications. Cartwright, J.W., Jr.; et al. 6

PARENT-CHILD RELATIONS

Characteristics of children with nursing bottle caries. Johnsen, D.C. 75

Child behavior in the office relative to parental presence. Pfeiffer, J.C.; et al. 371

PARONYCHIA

Herpetic whitlow. Merchant, V.A.; et al. 464

Primary herpes simplex in a dentist. Watkinson, A.C. 165

Treatment of orolabial herpetic infections. Ferguson, C.D.; et al. 71

PAROTID GLAND

Amylase activity in various tissues in rats. Ikeno, T.; et al. 323

PARATID GLAND NEOPLASMS

Radiation-shield prosthesis for the tongue. Fleming, T.J.; et al. 302

PATIENT ACCEPTANCE OF HEALTH CARE

Acceptance of dental services by institutionalized and noninstitutionalized elderly. Floystrand, F.; et al. 142

PATIENT CARE PLANNING

A successful long-term treatment plan. Stein, S.D.; et al. 527

Variation among dentists in planning treatment. Elderton, R.J.; et al. 478

PATIENT COMPLIANCE

Assistant's role in patient motivation for preventive dentistry. Crunk, A.M. 26

Dental visits after free and systematic dental care. Alanen, P. 251

Differentiating regular from irregular dental attenders. Schuur, A.H.; et al. 311

Effect of a dental health education program on children's utilization of care. Bentley, J.M.; et al. 537

Factors influencing Quebec elderly to seek treatment. Kandelman, D.; et al. 250

Feedback mechanisms in relation to compliance by adults. Glavind, L.; et al. 370

A hypothesis as to why some patients "let it all go". Stropko, J. 162

Intake patterns for fluoride tablets among Swedish children. Widenheim, J. 220

Keeping dental chairs warm. Conklin, E. 536

PATIENT COOPERATION

Increasing cooperation of developmentally disabled children. Masek, B.J.; et al. 304

PATIENT CREDIT AND COLLECTION

Staying on top of collections. Watson, M. 201

What to expect from a collection agency. Quinn, J.E.; et al. 140

PATIENT EDUCATION

Periodontal diagnosis and patient education. Repine, K.D. 416

PATIENT SATISFACTION

Adaptational problems of the elderly to complete dentures. Lechner, S.K. 245

Perceived and actual attitudes of periodontal patients. Friedman, A.A. 308

When the dentist is number four. Gehrman, R.E. 200

PCA SEALER

Sealing abilities of paste-type filling materials. Spradling, P.M.; et al. 285

PEDODONTICS

Hospital care in pedodontics. Davis, M.J.; et al. 139

PELLICULE SEE DENTAL DEPOSITS

PEMPHIGOID, BENIGN MUCOUS MEMBRANE

Comparative clinical survey of bullous diseases. Laskaris, G.; et al. 181

PEMPHIGOID, BULLOUS

Comparative clinical survey of bullous diseases. Laskaris, G.; et al. 181

PEMPHIGOID, CICATRICAL SEE PEMPHIGOID, BENIGN MUCOUS MEMBRANE

PEMPHIGUS

Comparative clinical survey of bullous diseases. Laskaris, G.; et al. 181

Treatment of pemphigus vulgaris with levamisole and prednisone. Lozada, F.; et al. 17

D-PENICILLAMINE

Penicillamine-induced mucocutaneous lesions. Ege-land, T.; et al. 45

PENICILLIN

Effect of penicillin on oral bacteria in hamsters and man. Maltz, M.; et al. 97

PENICILLINS

Antibiotic medicaments and dental enamel. Bjorvatn, K.; et al. 206

Enamel demineralization and antibiotic compounds. Bjorvatn, K. 207

Mechanisms of action of antibiotics. Pallasch, T.J. 101

New broad-spectrum penicillins. Eliopoulos, G.M.; et al. 215

PEPTIDE HYDROLASES

Correlations between salivary protease and dental calculus. Watanabe T.; et al. 37

PERCEPTION

Children's perceptions of their own malocclusions. Lindsay, S.J.; et al. 353

PERCEPTUAL DISORDERS

Testing for stereoscopic vision. Ireland, E.J.; et al. 253

PERCEPTUAL MOTOR ABILITY TEST

DAT as a predictor of preclinical technique performance. Wood, W.W.; et al. 143

PERIADENITIS SEE STOMATITIS, APHTHOUS

PERIAPICAL ABSCESS

Dental emergencies in Army recruits. Grover, P.S.; et al. 262

Managing the abscessed open tooth. August, D.S. 117

Sickle cell anemia. Primley, D.M.; et al. 13

PERIAPICAL DISEASES

Facultative gram-negative enteric rods in periapical infections. Haapasalo, M.; et al. 434

PERIAPICAL PERIODONTITIS

Effect of formocresol and glutaraldehyde on periapical tissues. Wemes, J.C.; et al. 61

PERIAPICAL TISSUE

Effect of formocresol and glutaraldehyde on periapical tissues. Wemes, J.C.; et al. 61

Effects of filling material in tissue reactions. Holland, R.; et al. 341

Flap designs for periapical surgery. Vreeland, D.L.; et al. 4

PERICORONITIS

Dental emergencies in Army recruits. Grover, P.S.; et al. 262

Treatment of acute periodontal lesions. Kon, S.; et al. 627

PERIODICALS

Medical writing in United States. Berland, T. 613

PERIODONTAL ABSCESS

Treatment of acute periodontal lesions. Kon, S.; et al. 627

PERIODONTAL DISEASES

Periodontal disease in children. Rosenblatt, G.M.; et al. 468

Stainless steel crowns and periodontal disease. Checchio, L.M.; et al. 576

Use of various agents on instrumented root surfaces. Lasho, D.J.; et al. 355

Classification

Cluster analysis of periodontal disease syndromes. Socransky, S.S.; et al. 184

Complications

Citric acid treatment of periodontally diseased root surfaces. Daly, C.G. 266

Diagnosis

Critical probing depths. Lindhe, J.; et al. 20

Material adherent to periodontal probes. Barnett, M.L.; et al. 156

Periodontal diagnosis and patient education. Repine, K.D. 416

Progression and regression in advanced periodontal disease. Goodson, J.M.; et al. 185

The responsibility for treating periodontal disease. Listgarten, M.A. 614

Drug Therapy

Clinical results using tricalcium phosphate in large periodontal defects. Hoexter, D.L. 180

Periodontal tissues adjacent to filled root perforations. Jew, R.C.; et al. 42

Etiology

Effects of immunosuppressive agents on periodontal disease. Sutton, R.B.; et al. 531

Periodontal destruction caused by improper use of a water-irrigating device. Winter, A.A. 186

Metabolism

Spirochetes and periodontal disease severity. Armitage, G.C.; et al. 213

Microbiology

Metronidazole and periodontal disease. Lindhe, J.; et al. 433

Occurrence

Dental emergencies in Army recruits. Grover, P.S.; et al. 262

Epidemiologic studies of periodontal disease. Dummett, C.O. 456

Periodontal disease in New Zealand. Croxson, L.J.; et al. 456

Pathology

Cause, progress, and diagnosis of periodontal disease. Holborow, D.W.; et al. 469

Physiopathology

Periodontal disease and aging. Anderson, D.L. 24

Prevention and Control

Dental health practices of Norwegian adults. Heloe, L.A.; et al. 221

Prevention and management of periodontal diseases. Ewart, N.P.; et al. 502

Radiography

Digital subtraction radiography for diagnosis of periodontal bone lesions. Grondahl, K.; et al. 303

Longitudinal study of bone loss of furcated molars. Bjorn, A.-L.; et al. 130

Surgery

Cementum removal from periodontally involved root surfaces. O'Leary, T.J.; et al. 410

Effect of submerging roots with periodontal defects. Evian, C.I.; et al. 409

Effects of citric acid on exposed periodontal attachment. Grigger, M.; et al. 628

Effects of oral hygiene on periodontal surgery. van Dijk, L.J.; et al. 486

Evaluation of decalcified freeze-dried bone allografts. Quintero, G.; et al. 472

Frequency of prophylaxis for healing after surgery. Westfelt, E.; et al. 354

Healing responses of intrasosseous lesions. Stahl, S.S.; et al. 578

New attachment after surgical treatment of periodontal disease. Nyman, S.; et al. 19

Perceived and actual attitudes of periodontal patients. Friedman, L.A. 308

Use of chlorhexidine after treatment of periodontal disease. Westfelt, E.; et al. 385

Therapy

Eliminating furcations with polymeric-reinforced ZOE cement. Baer, P.N.; et al. 471

Nonsurgical periodontal treatment. Lang, N.P. 579

Ossseous destruction after removal of third molars. Van Swol, R.L.; et al. 526

Testing of treatment of periodontal disease. Trieger, N.; et al. 186

PERIODONTAL POCKET

Complications

Changes on root surfaces with periodontal disease. Eide, B.; et al. 487

Diagnosis

Probe position in treated and untreated periodontal tissues. Fowler, C.; et al. 130

Microbiology

Wolinella recta strains isolated for periodontal pockets and root canals. Tanner, A.C.; et al. 98

Surgery

Durapatite implants in intrasosseous lesions. Froum, S.J.; et al. 470

Effect on treatment of root surface smoothness or roughness. Khatiblou, F.A.; et al. 628

Reverse bevel incision used in modified Widman flap procedure. Fisher, M.R.; et al. 129

Therapy

Maintenance of healed pockets after root planing. Caton, J.; et al. 77

PERIODONTAL SPLINTS

The embedded bar bridge. Davis, V.W. 629

Etched casting resin-bonded retainers for periodontal splinting. Wood, M. 191

PERIODONTITIS

Chemically Induced

Response to materials used for repair of furcation perforations. El Deeb, M.E.; et al. 150

Complications

Treatment of intrabony periodontal defects. Pritchard, J.F. 242

Drug Therapy

Brushing with hydrogen peroxide-sodium bicarbonate: a clinical trial. West, T.L.; et al. 525

Effect of minocycline on periodontal status. Ciancio, S.G.; et al. 158

Periodontally diseased roots after citric acid demineralization. Albair, W.B.; et al. 76

Etiology

No place for a ring. 648

Immunology

Rheumatoid factor in periodontal disease. Gargiulo, A.V., Jr.; et al. 151

Metabolism

Prostaglandins in periodontal tissues. Dewhirst, F.E.; et al. 553

Pathology

Rapidly progressive periodontitis. Page, R.C.; et al. 355

Therapy

Principles governing periodontal treatment. Loe, H. 578

A successful long-term treatment plan. Stein, S.D.; et al. 527

PERIODONTIUM

Attached gingiva in the maintenance of periodontal health. Wennstrom, J.; et al. 354

Analysis

Prostaglandins in periodontal tissues. Dewhirst, F.E.; et al. 553

Injuries

Periodontal tissues adjacent to filled root perforations. Jew, R.C.; et al. 42

Metabolism

Distribution of solutions in periodontal ligament injection technique. Smith, G.N.; et al. 374

Periodontal response to gingival curettage. Echeverria, J.J.; et al. 629

Repair of periodontal tissues. Lindsog, S.; et al. 429

Pathology

Study of early periodontal bone loss in adolescents. Latham, N.L.; et al. 304

Physiology

Effect of surgical denudation on periodontal healing. Proye, M.P.; et al. 208

Healing after implantation of healthy roots. Lopez, N.J.; et al. 553

- Periodontal wound healing with citric acid conditioning. Nalbadian, J.; et al. 376

Three-dimensional element model of a human tooth. Rubin, C.; et al. 382

Tooth crown size in Icelandic children. Axelsson, G.; et al. 635

Drug Effects

Effect of strontium on rat molar morphology. Curzon, M.E.; et al. 37

Metabolism

Diffusion of C14-labeled formocresol and glutaraldehyde. Wemes, J.C.; et al. 61

Surgery

Effect of submerging roots with periodontal defects. Evian, C.I.; et al. 409

Three-year study of hemisectioned molars. Erpenstein, H. 299

Vital root resection. Haskell, E.W.; et al. 343

Transplantation

Pulpal survival in mature teeth after transplantation. Skoglund, A. 489

TOOTH ABNORMALITIES

Epidermolysis bullosa associated with hypoplasia, taurodontism. Wright, J.T.; et al. 466

TOOTH ABRASION

Enamel polish and abrasion by prophylaxis pastes. Putt, M.S.; et al. 212

In vitro investigation of the abrasion of enamel. Slop, D.; et al. 443

Pulpal reactions of crown-fractured, ground teeth. Cvek, M.; et al. 94

TOOTH, ARTIFICIAL

Use of collagen for anchoring acrylic resin teeth in dogs. Yaffe, A.; et al. 262

TOOTH BLEACHING

Bleaching non-vital teeth. Bokman, L.; et al. 564

Bleaching vital teeth. Bokman, L.; et al. 625

Cervical resorption in bleached teeth. Lado, E.A.; et al. 229

Chemical treatment of vital teeth with intrinsic stain. Murrin, J.R.; et al. 345

External bleaching of tetracycline stained teeth. Walton, R.; et al. 372

TOOTH, DECIDUOUS

- Longitudinal study of deciduous dentition development. Nystrom, M. 298
Mottling of primary incisors. Goward, P.E. 296

TOOTH DEVIATIZATION

- Retention of posts in teeth with nonvital pulps. Wood, W.W. 287

TOOTH DISCOLORATION**Drug Therapy**

- Bleaching vital teeth. Boksman, L.; et al. 625
Chemical treatment of vital teeth with intrinsic stain. Murrin, J.R.; et al. 345
External bleaching of tetracycline stained teeth. Walton, R.; et al. 372

Etiology

- Dental abnormalities in children with renal failure. Woodhead, J.C.; et al. 291
Etiology of developmental enamel defects. Pindborg, J.J. 14

Therapy

- Bleaching non-vital teeth. Boksman, L.; et al. 564

TOOTH DISEASES

- Ankylosis of experimentally replanted teeth. Matsun, L.; et al. 375
Furcal defects. Tal, H. 75
Response to materials used for repair of furcation perforations. El Deeb, M.E.; et al. 150
Severity of furcal defects. Tal, H.; et al. 75

TOOTH EROSION

- Paint-on restorative system for treatment of cervical erosion lesions. Soelberg, K.B.; et al. 400
Tooth erosion in children with rheumatoid arthritis. Sullivan, R.E.; et al. 577

TOOTH ERUPTION

- Continuous eruption of some teeth of ancient populations. Levers, B.G.; et al. 484
Longitudinal study of deciduous dentition development. Nystrom, M. 298

TOOTH EXTRACTION

- Effect of medications after third molar removal. van der Zwan, J.; et al. 437
Osseous destruction after removal of third molars. Van Swol, R.L.; et al. 526
Phantom toothache. Rhodus, N.L. 571
Prophylactic use of indomethacin for third molar removal. Amin, M.M.; et al. 435
Retention and extraction of third molars. Schroeder, D.C.; et al. 261

Methods

- Comparison of closure techniques after third molar removal. Dubois, D.D.; et al. 11
Modified distolingual splitting technique in third molar removal. Hochwald, D.A.; et al. 460

TOOTH FRACTURES

- Chip fractures of conventional and microfilled composite resins. Lambrechts, P.; et al. 211

Complications

- Pulpal reactions of crown-fractured, ground teeth. Cvek, M.; et al. 94

Diagnosis

- Crack lines as precursors of tooth fractures. Abou-Rass, M. 399

Occurrence

- Dental emergencies in Army recruits. Grover, P.S.; et al. 262

Therapy

- Fiber-glass splinting of traumatized teeth. Anderson, L.; et al. 241
Treatment of anterior subgingival fractures. Heithersay, G.S.; et al. 519

TOOTH, IMPACTED

- Comparison of closure techniques after third molar removal. Dubois, D.D.; et al. 11

TOOTH LUXATION

- Alveolar bone necrosis and tooth loss associated with herpes zoster infection. Wright, W.E.; et al. 465
Ankylosis of experimentally replanted teeth. Matsun, L.; et al. 375
Fiber-glass splinting of traumatized teeth. Anderson, L.; et al. 241
Prognosis of teeth following extrusive luxation injuries. Dumsha, T.; et al. 61
Splinting technique for traumatized teeth. Antrim, D.D.; et al. 65

TOOTH MOBILITY

- Concepts in splinting. Potashnick, S.R. 410

TOOTH MOVEMENT, MINOR

- Effect of submerging roots with periodontal defects. Evian, C.I.; et al. 409
Forced orthodontic eruption. Potashnick, S.R.; et al. 79
Short clinical crown with inadequate keratinized gingiva. Saadoun, A.P.; et al. 399

TOOTH REPLANTATION

- Ankylosis of experimentally replanted teeth. Matsun, L.; et al. 375

- Fiber-glass splinting of traumatized teeth. Anderson, L.; et al. 241

- Gold foil as an apical sealing material for replantation. Goel, B.R.; et al. 397

- Periodontal tissue response to polytetrafluoroethylene implants. Nalbantian, J.; et al. 93

TOOTH RESORPTION

- Cervical resorption in bleached teeth. Lado, E.A.; et al. 229

TOOTH ROOT

- Citric acid effects on attachment of flaps. Common, J.; et al. 242
Effect on treatment of root surface smoothness or roughness. Khatiblou, F.A.; et al. 628
Foreign material as a cause of failure of treatment. Yusuf, H. 117

Anatomy and Histology

- Root dimensions and dowel size. Shillingburg, H.T., Jr.; et al. 120
Root "spread" difference of first and second molars. Sculli, P.W.; et al. 316; (Comment) Koritzer, R.T. 316

Drug Effects

- Effect of citric acid treatment of denuded root surfaces. Polson, A.M.; et al. 208
Effectiveness of agents for detoxifying diseased root surfaces. Sarbinoff, J.A.; et al. 241
Use of various agents on instrumented root surfaces. Lasho, D.J.; et al. 355

Growth and Development

- Interrupted root development. Gertzman, G.B.; et al. 525

Injuries

- Dilaceration of permanent maxillary lateral incisors. Chohayeb, A.A. 396
Fiber-glass splinting of traumatized teeth. Anderson, L.; et al. 241
Periodontal tissues adjacent to filled root perforations. Jew, R.C.; et al. 42
Relative risk of molar root perforation. Kessler, J.R.; et al. 621

Metabolism

- Fibrin linkage. Polson, A.M.; et al. 375
Fibroblasts on tooth root surfaces. Ferrybough, W.; et al. 375

Pathology

- Changes on root surfaces with periodontal disease. Eide, B.; et al. 487
Citric acid treatment of periodontally diseased root surfaces. Daly, C.G. 266
Furcal defects. Tal, H. 75
Inhibiting root caries by topical applications of agents. Derand, T.; et al. 37
Root surface caries. Nyvad, B.; et al. 288
Severity of furcal defects. Tal, H.; et al. 75

Surgery

- Cementum removal from periodontally involved root surfaces. O'Leary, T.J.; et al. 410
Concerns in molar endodontic surgery. Cambruzzi, J.V.; et al. 315
Effect of surgical denudation on periodontal healing. Proye, M.P.; et al. 208
Flap designs for periapical surgery. Vreeland, D.L.; et al. 4
Marginal leakage in retrograde techniques. Kaplan, S.D.; et al. 174
Nonsurgical periodontal treatment. Lang, N.P. 579
Re-examination of apicoectomized teeth. Mikkonen, M.; et al. 284
Vital root resection. Haskell, E.W.; et al. 343

Transplantation

- Healing after implantation of health roots. Lopez, N.J.; et al. 553

TOOTH, SUPERNUMERARY

- Incidence of unerupted premaxillary supernumerary teeth. Kinirons, M.J. 74

TOOTH, UNERUPTED

- Incidence of unerupted premaxillary supernumerary teeth. Kinirons, M.J. 74
The unerupted maxillary central incisor. Brin, I.; et al. 74

TOOTHACHE

- Phantom toothache. Rhodus, N.L. 571

TOOTHBRUSHING

- Brushing with hydrogen peroxide-sodium bicarbonate: a clinical trial. West, T.L.; et al. 525
Comparison of engine polishing and toothbrushing. Waring, M.B.; et al. 327
Effects of brushing on five composite resins. Kanter, J.; et al. 97
In vitro investigation of the abrasion of enamel. Slop, D.; et al. 443
Toothbrushing behavior in children. Sundell, S.O.; et al. 107

Instrumentation

- Control of phenytoin-induced gingival overgrowth. Steinberg, S.C.; et al. 82

- Digital brushing technique. Goho, C. 442
Electro-ionizing toothbrush to control dental hypersensitivity. Johnson, R.H.; et al. 153

Methods

- Toothbrushing by orthodontic patients. White, L. 327

TOXIC SHOCK SYNDROME see SHOCK, SEPTIC**TRAC... ELEMENTS**

- Effect of trace elements and fluoride on caries over a ten-year period. Curzon, M.E. 384

TRACHEOTOMY

- Tracheostomy in management of facial fracture. Zachariades, N.; et al. 462

TRANEXAMIC ACID

- Effect of medications after third molar removal. van der Zwan, J.; et al. 437

TRANLYCYPROMINE

- Conscious-sedation in patient taking MAOI and lithium. Freilich, J.D.; et al. 508

TRIAGE

- Rehearsal for disaster. 336

TRICALCIUM PHOSPHATE

- Clinical results using tricalcium phosphate in large periodontal defects. Hoexter, D.L. 180

TRICHLOROACETIC ACID

- Assessments of experimental cavity cleaners. Mjor, I.A.; et al. 214

TRICHLOROGALACTO-SUCROSE

- Effects of two substitute sweeteners on deposition of *S. mutans*. Verran, J.; et al. 109

TRIGEMINAL NERVE

- Managing oral pain: inhibiting substance P. Goodale, D.B. 99

TRIMCANAL

- Antimicrobial effects of endodontic filling cements. Pupo, J.; et al. 454

TRIMETAPHOSPHATE

- Clinical trial of dentifrices with monofluorophosphate and trimetaphosphate. Andlaw, R.J.; et al. 491

TUBUL-SEAL

- Effects of filling material in tissue reactions. Holland, R.; et al. 341

- Leakage potential of five root canal sealer cements. Mattison, G.D.; et al. 341

- Tissue reaction in rats to Hydron or gutta-percha. Tanzilli, J.P.; et al. 486

TYTIN

- Clinical study of high-copper alloy containing palladium. Hermes, C.B.; et al. 265

U**ULCER, APHTHOUS see STOMATITIS, APHTHOUS****ULTRASONICS**

- Clinical report on use of ultrasound. Cameron, J.A. 60

- Effectiveness of ultrasonic denture cleaning. Gwinnett, A.J.; et al. 630

ULTRAVIOLET RAYS

- Ultraviolet light as a diagnostic aid. Foreman, P.C. 620

UNEMPLOYMENT

- Unemployment rates for the health fields. 53

UNITED STATES

- The declining prevalence of caries in the United States. Brunelle, J.A.; et al. 272

UNITED STATES PUBLIC HEALTH SERVICE

- PHS perspectives on misconduct in science. Brandt, E.N. 500

V**VALIANT**

- Clinical study of high-copper alloy containing palladium. Hermes, C.B.; et al. 265

VARNISH, CAVITY see DENTAL CAVITY LINING**VASECTOMY**

- Vasectomy-impotence link reported. 610

VEGETABLES

- Effects of suspected foodstuffs in the etiology of recurrent aphthous stomatitis. Eversole, L.R.; et al. 69

VENEREAL DISEASES

- Oral manifestations of sexually related diseases. Tereshalmy, G.T. 497

VERRUCA VULGARIS

- Papillary and verrucous lesions. Eversole, L.R.; et al. 486

VERTICAL DIMENSION

- Occlusal force in normal and long-face children. Proffit, W.R.; et al. 468

- Occlusal forces in normal and long-face adults. Proffit, W.R.; et al. 467

- Simultaneous registration of centric relation and vertical dimension of occlusion. Davis, D.J. 22
- Treatment of lost vertical dimension. Boksman, L. 625
- VESTIBULOPLASTY**
- Comparison of grafts for mandibular vestibuloplasty. Gregory, E.W.; et al. 429
- Follow-up after vestibuloplasty with skin grafting. Landesman, H.M.; et al. 347
- Modification of vestibuloplasty. Liposky, R.B. 462
- VIRAL VACCINES**
- Hepatitis B vaccine and the dental assistant. Martin, C.M. 446
- VITAMIN B 12**
- Serum levels in recurrent aphthous ulceration. Olson, J.A.; et al. 127
- VITAMIN E**
- Vitamin E and healing of gingival wounds in rats. Kim, J.E.; et al. 549
- Vitamin E inhibition of hamster buccal pouch carcinogenesis. Weerapradist, W.; et al. 100
- VITAMINS**
- Cancer prevention effect of vitamins. Jett, S.F. 558
